1. It is the applicant's obligation to determine if existing utility easements or rights-of-way are located on or adjacent to the property and to abide by any conditions or terms of those easements.

2. As the application and/or development moves forward, the applicant needs to contact the PNM New Service Delivery Department to coordinate electric service regarding this project. Please submit a service application at www.pnm.com/erequest for PNM to review.

3. There are existing PNM Distributions lines abutting the site along Paseo del Norte NW and Woodmont Ave NW.

4. If existing electric lines need to be moved, then that is at the applicant's expense. Please contact PNM at www.pnm.com/erequest for PNM to review.
