DRB Project Number: 2019-003092 AGENDA ITEM NO: 7
Ridgecrest and San Mateo

SUBJECT: Vacation

ENGINEERING COMMENTS:

1. Transportation has no objection to the vacation.
2. Coordinate with the Fire Marshall on proposed layout shown in exhibit. The new turnaround radius combined with width of alleyway do not meet fire code standards for a road that would be over 150 feet long. Place these improvements on an infrastructure list.
