Pursuant to IDO Section 2-5(F)(3)(a), Development standards specified in a Master Plan approved or amended by the City Parks and Recreation Department for each facility prevail over IDO standards and may be reflected in Site Plans approved pursuant to the IDO. As such, the Parks and Recreation Department (PRD) can amend the Balloon Fiesta Park Master Development Plan through an administrative process to reflect the development proposed in the Sketch Plat. An example of a previous amendment of the Balloon Fiesta Park Master Plan is attached to this memo.

- Future development must meet all applicable standards and provisions of the IDO and the DPM.
