The MRMPO Long Range Bikeway System Map shows a Proposed Multi-Purpose Trail on All Saints Rd NW, however the Infrastructure List shows sidewalk. Can sidewalk be replaced with 10-ft wide asphalt multi-purpose trail with minimum 2-ft shoulders included in 5-ft landscape buffer on All Saints Rd NW?

<u>03-30-2022</u>
Although the LRBS shows a Proposed Multi-Purpose Trail, the Parks and Recreation Department will not require it because there is not a good potential connection point, and Transportation does not recommend the trail.
