Re: DRAINAGE REPORT FOR CAMINO ESPANOL APARTMENTS.

Dear Mr. Jack:

I reviewed the grading and the drainage plan for Camino Espanol Apartments, and I am in agreement with the general layout and the concept of total retention of the runoff on the site.

At the time of submittal of the construction plans, more detailed information will have to be furnished regarding the location and the direction of the runoff volumes and of the ponding volumes (runoff volumes must correspond to the ponding volumes provided).

If I can be of any further assistance, please do not hesitate to contact my office.

Very truly yours,

Bruno Conegliano
Assistant City Engineer-Hydrology
