DRB Project Number: 2021-006497 AGENDA ITEM NO: 3
Sunport

SUBJECT: Vacation of Right-of-way

ENGINEERING COMMENTS:

1. If the vacation is accepted by all City Departments (including DMD and Real Property), provide an easement for a turn-around at each end of the road.
2. Address comments from DMD prior to approval regarding verification of ownership and the access control line. Coordinate with both Real Property and with NMDOT.
3. Further research indicates that there is a slope easement that has not been taken into account on the plat or site plan. The slope easement prohibits encroachment of any development.

*Please remember to email me directly with an electronic copy of all supplemental submittal documents.
