<u>03-02-2022</u>
Per the Street Tree Ordinance and IDO Section 5-6(D)(1)(a), street trees generally required 25 feet on center within 20 feet from back of curb along Louisiana Blvd NE. Is there a reason there is a gap?

<u>03-30-2022</u>
Per ex parte communication with the applicant, a new Landscape Plan was sent with a small tree added in a tree grate to the sidewalk, and this satisfies the previous comment.

<u>04-06-2022</u>
No objection to requests.
