**These are preliminary Planning comments. Additional reviews and/or revised comments may be needed for any modifications and/or supplemental submittals.*

COMMENTS:

- Development must meet all applicable standards and provisions of the IDO, the DPM, and other adopted City regulations.

- All Plan sheets must be sealed and signed by a design professional licensed in the State of New Mexico. Landscape Plans must be sealed and signed by a Landscape Architect licensed in the State of New Mexico.

- The project and application numbers must be added to Plan sheets, prior to final sign-off from Planning.

- Utility and AMAFCA signatures will be required for the Preliminary/Final Plat (for minor Plats) or for the Final Plat (for major Plats). Those signatures must be obtained and included with all Preliminary and/or all Plat application submittals prior to the acceptance of that application and the placement on a DRB agenda.

- DXF File approval from AGIS will be required for the Preliminary/Final Plat (for minor Plats) or for the Final Plat (for major Plats). Must be obtained and included with the Preliminary and/or Final Plat application submittals prior to the acceptance of that application and the placement on a DRB agenda.

- Additional information will be needed to clarify the following:

**(See additional comments on next page)*

-Was previous platting action and/or vacation recorded within one year?

-If not, is the proposed action legally nonconforming based on date of action and date of ordinance?

-Have all the affected neighbors agreed and signed off on the proposed vaction?
-Have any of the neighbors already completed a replat and vacation?

Disclaimer: The comments provided are based upon the information received from the applicant/agent. If new or revised information is submitted, additional comments may be provided by Planning.
