RECORD DRAWING

This drawing as modified shows public improvements as constructed. These modifications have been made using information and measurements obtained by EHA's field survey crew, the Contractor and City Inspector. The modifications conform to the minimum requirements for record drawing criteria as required by the City of Albuquerque per Development Process Manual Section 10.1.1. The best of my knowledge and belief.

RECORD DRAWING
This drawing as modified shows public improvements as constructed. These modifications have been made using information and measurements obtained by EHA's field survey crew. The modifications are for the minimum requirements to conform to the minimum requirements for the project. The modifications are required by the City of Albuquerque, New Mexico, to the best of my knowledge and belief.
