RE: FLOODPLAIN CERTIFICATION FOR LOT 1513 OF SANDIA HEIGHTS SOUTH, UNIT 15

Dear Mr. Oglesby:

We have reviewed Mr. Edward Moore's drawing and determine that the lot is within the floodplain. However, because of the difference in elevations of the structure to the floodplain (35 feet), the structure is determined to be out of the floodplain.

If you have any questions, call me at 766-7644.

Cordially,

Carlos A. Montoya
