Dear Mr. Bordenave:

The revised building plan dated December 9, 1982 for the referenced site is approved. Please advise the owner that a final inspection from AMAFCA for the construction within their R/W must be obtained before the Certificate of Occupancy is released.

Sincerely,

Attention: Mr. Charles M. Easterling

Gentlemen:

In accordance with the discussion of March 17, 1981, between Mr. Easterling and myself, there are enclosed four copies of "Drawing Showing Changed Elevations for Parking Lot" on the MPG Partnership Warehouse/Office Project.

This drawing is to effect the minor corrections to the storm drainage flow, in keeping with the discussion, and will be made a part of the construction documents for the project.
