REF: 539 & 540 ORTIZ, (L18-D14) DATED 6/30/83

Dear Mr. Houle:

The referenced drainage plan is approved. Please see that copies of the approved plan and copies of the "Drainage Facilities Within City R/W" plans are attached to the building set for Hydrology sign-off.

If you have any questions, please feel free to contact me at 766-7467.

Sincerely,

Fred J. Aguirre

NOTICE TO CONTRACTOR

1. An excavation/construction permit will be required before beginning any work within City right-of-way. An approved copy of these plans must be submitted at the time of application for this permit.

2. All work detailed on these plans to be performed, except as otherwise stated or provided hereon, shall be constructed in accordance with "Contract Documents for City-Wide Utilities and Cash Paving No. 31 "

3. Two working days prior to any excavation, contractor must contact Line Locating Service, 765-1234, for location of existing utilities.

4. Prior to construction, the contractor shall excavate and verify the horizontal and vertical locations of all obstructions. Should a conflict exist, the contractor shall notify the engineer so that the conflict can be resolved with a minimum amount of delay.

5. Backfill compaction shall be according to Residential street use.
