GENERAL NOTES:

- All work detailed on these plans to be performed under contract, shall, except as otherwise stated or provided hereon, be constructed in accordance with City of Albuquerque Interim Standard Specifications for Public Works Construction, 1985, together with the Standard Details contained therein.
- Two (2) working days prior to any excavation, contractor must contact Line Locating Service, 765-1234, for location of existing utilities.
- Prior to construction, the contractor shall excavate and verify the horizontal and vertical locations of all obstructions. Should a conflict exist, the contractor shall notify the engineer or surveyor so that the conflict can be resolved with a minimum amount of delay.
