Please send us electronic file of the Site Plan, used for TCL Temp CO, which is completed from the Administrative Amendment Drawing dated 3-11-15. All future drawing submitted for CO need to reflect the AA drawing. We are issuing a 30 Temp CO for Phase 1, Tenant 1, which I will email shortly.

Subject: Green Jeans Farmery Site Certification

Gary,
I am attaching the Site Certification for Green Jeans Farmery Phase I (Santa Fe Brewing Company Taproom). Page 1 is the letter, Page 2 is the As Built Markup. I will follow up with a phone call.

Thanks,
