Importance:	High

Hello David.

You have addressed the comments on the TCL except for the approval from the Road Access Committee (RAC). Have you contacted Debbie Bauman (dbauman@cabq.gov) City of Albuquerque DMD and David Pennella dpennella@mrcog-nm.gov with Mid-region Council of Governments? Policies and Request form attached.

They should be able to get the process going to adjust the drive entrances on Gibson. The access change must be approved before we can approve the TCL.

Let me know if you have any questions.
Thanks.

Logan Patz
