Re: Bob Rutherford Construction Yard Improvements

Dear Everitt:

Transmitted herewith are three approved copies of the Special Order 19 for the subject project. One copy each should be attached to the two review sets circulating for approval. The third copy will need to be presented to the City in order to obtain a permit to perform construction within City right-of-way. Your contractor will have to see Becky on the fourth floor of City Hall, Inspection Section in order to obtain this permit.

If you have any questions or comments concerning this transmittal, do not hesitate to call.

Sincerely,

TOM MANN & ASSOCIATES, INC.
