Case No. BP-89-288

Dear Mr. Montoya:

Thank you very much for the opportunity to work with you on the Toyota Decoating Building.

This is to confirm that the work completed complies with our revised plans and specifications dated 6/1/89. Revision 1 required the finish floor elevation to be raised 6 inches to improve the drainage around the building as requested by the Owner.

We hope this statement will expedite the Certificate of Occupancy.

If you have any questions, please do not hesitate to call me.

Very truly yours,
