Following is a summary of PUBLIC / PRIVATE Infrastructure required to be constructed or financially guaranteed to be constructed for the above development. This summary is not necessarily a complete listing. During CPC, BCC, the design process and or in the preparation of the construction drawings, if the City, County and or AMAFCA determines that appurtenant items have not been included in the summary, those items will be included in the listing and related financial guarantee, if the items normally are the Subdivider responsibility. In addition, any unforeseen items which arise during construction which are necessary to complete the project and which normally are the Subdivider's responsibility are the responsibility of the Subdivider and will be in the financial guarantee provided to the City, County, and or AMAFCA.
