

**DRB #1001523**

Fri, Jan 26, 2018 10:42 am

**Cadena, Kristopher** ([kcadena@abcwua.org](mailto:kcadena@abcwua.org))

To:you Details

Dan,

In regards to the above referenced DRB project, the Water Authority is accepting of the removal of the private fire line and fire hydrant from the infrastructure list as those items can be installed with a Water Authority mini work order.

Best,

***Kristopher Cadena, PE***

**Principal Engineer**

**Utility Development Section**

Albuquerque Bernalillo County Water Utility Authority
