1. Under the current RO-1 zoning classification, the minimum lot area is one acre. The minimum lot width is 150 feet. It appears that unless the Environmental Planning Commission approves a zone change, the subdivision of the lot will not be possible. Contact Russell Brito, Senior EPC Planner, at the Planning Department, 924-3337 to discuss the feasibility of pursuing a zone change request.

Parks and Recreation Comments:

This request will be subject to the following requirements of the City Park Dedication and Development Ordinance:

Prior to sign-off on the final plat, a fee in-lieu of and equal to the value of the required park land dedication for 1 new residential lot will be required. The fee will be based on an estimate of land value to be provided by the City Real Property office. Alternatively, the applicant may submit current appraisal information mutually acceptable to the applicant and the City.

The park development requirement will be met via the payment of a fee prior to issuance of building permit for each new dwelling unit.
