Ref: Replat of a Portion of Village Center North Subdivision

Dear Mr. Cloud and DRB Members:

Huitt-Zollars, Inc. acting as agents for Guardian Storage VI, LLC is requesting a Preliminary/Final Plat review and approval for the Replat of Tract A-1 of Village Center North Subdivision and Tract C of Village Center North Bulk Land Plat.

This Replat is eliminating the common line between said Tract A-1 and Tract C to create a single tract of land. This new tract will be developed into an indoor storage facility.

Sincerely,

HUITT-ZOLLARS, INC.
