RE: Santa ^{Fe}@ The Trails/final plat

The plat needs this language above the owner's signature: "Said owner warrants that he holds complete and indefeasible title in fee simple to the land subdivided".

Is the previously approved perimeter wall design still the planned wall for this subdivision?

[Deferred from 12-31-03] (C-9)

At the January 7, 2004, Development Review Board meeting, with the signing of the infrastructure list dated today and the grading and drainage plan dated 12-24-03, the preliminary plat was approved. A sidewalk variance for waiver of sidewalks was approved as shown on Exhibit C in the Planning file. Temporary deferral of construction of sidewalks on the interior streets was approved as shown on Exhibit C in the Planning file.

If you wish to appeal this decision, you must do so by January 22, 2004 in the manner described below.

Appeal is to the Environmental Planning Commission. Any person aggrieved with any determination of the Development Review Board may file an appeal on the Planning Division form, to the Planning Division, within 15 days of the Development Review Board's decision. The date the determination in question is issued is not included in the 15-day period for filing an appeal. If the fifteenth day falls on a Saturday, Sunday or holiday as listed in the Merit System Ordinance, the next working day is considered as the deadline for filing the appeal. Such appeal shall be heard within 60 days of its filing.

Please note that a Preliminary Plat approval date is the date of the DRB action plus the 15-day appeal period. The Preliminary Plat approval is effective one year from that date. The DRB must take action on the Preliminary Plat Extension prior to the expiration of the approval or the Preliminary Plat approval is null and void. (REF: Chapter 14 Article 14 Part 3-4 (E) Revised Ordinance.)

You will receive notice if any other person files an appeal. Successful applicants are reminded that other requirements of the City must be complied with, even after approval of the referenced application(s).

ITEM # 3 & 4

PROJECT # 1002928 & 1002929 APPLICATION # 03DRB-01532 & 01531

RE: Taos & Santa Fe @ The Trails

These are the comments I verbally gave to Lola Bird with regard to the perimeter walls submittal I received for both plats:

- The water harvesting areas should have some type of ground cover for visual appearance & avoidance of weeds. If they are on a water & sewer utility easement, trees are not allowed.
- The HOA should be formed prior to final plat & the President should sign the final plat. Also, DRB needs to see the agreement to make sure maintenance of landscaping is included.
- Junipers are not allowed in these submittals.
- Building materials & colors are a required as part of this submittal.

Open Space Division

City Engineer

An approved drainage report is required for Preliminary Plat approval. This project must adhere to the DMP for this basin.

Transportation Development

Sidewalk on southside from lot to Rainbow. Is open space a pedestrian area? Sidewalk along Lot 36? Will Tree Line become a collector? What about lots taking access from it. Show sketch of intersection @ Kuana/Teypana. Infrastructure list missing stub on west Teypana.

Parks & Recreation

This request will be subject to the City Park Dedication and Development Ordinance:

The developer is entering into an agreement to dedicate 2 parks both approximately 4 acres in size, the developer will also develop the parks as part of the agreement. This will satisfy the park Dedication and Development requirements.

The R-D zone requires 2,400 square feet of open space for each dwelling unit. With submittal of the Preliminary Plat/Site Development Plan, provide an Open Space Calculation Table showing the lot number, lot size, building & driveway area, provided open space, remaining open space requirement (this table can be separate from the plat itself). Provide a dimensioned Typical Lot Plan, which shows a typical lot with the building footprint and driveway (this should be on the Site Development Plan rather than the plat).

The remaining open space requirement will be met through the dedication of detached open space.

What does undedicated open space refer to on the second page of your letter attached to this application.

No objection to the sidewalk waiver or deferral.

The Trails and Bikeways Facility Plan calls for a Trail on Rainbow in this location. Please place the 10' trail on the infrastructure list. Coordinate location with Theresa Baca 768-3649.

Utilities Development

Cannot approve Preliminary Plat prior to approval of Bulk Land Plat. Master Utility plan must be reviewed prior to approval. How will water lines be looped to Paseo del Norte in the future? Minor comments on Infrastructure List. o objection to Sidewalk deferral or waiver.

Planning Department

Design elevations & cross sections of perimeter walls are required for preliminary plat approval. One copy only is needed with building materials & colors identified.

Once this requirement is met, Planning has no objection to approval of the preliminary plat and the requested sidewalk actions.

IT IS REQUIRED THAT THE APPLICANT AND/OR AGENT BE PRESENT AT THE HEARING

Mr. Bruce Nyberg
Ventana Ranch Neighborhood Association

Dear Mr. Nyberg:

I write on behalf of our client The Trails LLC to inform you that we have today made application to the City of Albuquerque for various entitlements related to a 100 acre piece of land on either side of Rainbow Boulevard immediately south of Paseo Del Norte. These entitlements include a bulk land division, two preliminary plats, and a Site Development Plan in accordance with the requirements of the R-D zone. The latter is the first part of the larger master plan that we discussed with you at the neighborhood meeting at Paradise Hills Community Center earlier this summer.

We expect these matters to be placed on the Development Review Board's agenda for their meeting on September 24.

If you have any questions, please feel free to call.

Sincerely yours,

SANTA FE AT THE TRAILS (TRACT C)

2 6/23/04

Following is a summary of PUBLIC/PRIVATE Infrastructure required to be constructed or financially guaranteed for the above development. This Listing is not necessarily a complete listing. During the SIA process and/or in the review of the construction drawings, if the DRC Chair determines that appurtenant items and/or unforeseen items have not been included in the infrastructure listing, the DRC Chair may include those items in the listing and related financial guarantee. Likewise, if the DRC Chair determines that appurtenant or non-essential items can be deleted from the listing, those items may be deleted as well as the related portions of the financial guarantees. All such revisions require approval by the DRC Chair, the User Department and agent/owner. If such approvals are obtained, these revisions to the listing will be incorporated administratively. In addition, any unforeseen items which arise during construction which are necessary to complete the project and which normally are the Subdivider's responsibility will be required as a condition of project acceptance and close out by the City.

**SUBDIVISION IMPROVEMENTS
AGREEMENT-PUBLIC AND/OR PRIVATE
(Procedure B)**

**AGREEMENT TO CONSTRUCT
PUBLIC AND/OR PRIVATE SUBDIVISION IMPROVEMENTS**

THIS AGREEMENT is made this 23 day of APRIL, 2004, by and between the City of Albuquerque, New Mexico ("City"), a municipal corporation, whose address is P. O. Box 1293 (One Civic Plaza), Albuquerque, New Mexico 87103, and Longford at The Trails LLC,

("Subdivider"), a [state the type of business entity, for instance, "New Mexico corporation," "general partnership," "joint venture," "individual," etc.:] Nevada Limited Liability Company, whose address is 7301 Jefferson NE Suite G & H and whose telephone number is 761 9911, is made in Albuquerque, New Mexico, and is entered into as of the date of final execution of this Agreement.

1. Recital. The Subdivider is developing certain lands within the City of Albuquerque, Bernalillo County, New Mexico, known as [existing legal description:] Tract C Bulk Plat of The Trails, recorded on Dec 15 2003 in the records of the Bernalillo County Clerk at Book 2003 C, pages 375 through 378 (the "Subdivision"). The Subdivider certifies that the Subdivision is owned by [state the name of the present real property owner exactly as shown on the real estate document conveying title in the Subdivision to the present owner:] Longford at The Trails LLC ("Owner").

The Subdivider has submitted and the City has approved a preliminary plat or Site Development Plan identified as Santa Fe at the Trails describing Subdivider's Property.

As a result of the development of the Subdivision, the Subdivision Ordinance ("S.O.") and/or the Zoning Code, Section 14-16-3-11, require the Subdivider, at no cost to the City, to install certain public and/or private Improvements, which are reasonably related to the development of the Subdivision, or to financially guarantee the construction of the public and/or private improvements as a prerequisite to approval of the final plat of, or the Site Development Plan for the Subdivision.

2. Improvements and Construction Deadline. The Subdivider agrees to install and complete the public and/or private improvements described Exhibit A, the required infrastructure listing ("Improvements"), to the satisfaction of the City, on or before the _____ day of _____, 20____ ("Construction Completion Deadline"), at no cost to the City. The Improvements are shown in greater detail on the Subdivider's proposed and approved plans, which have been filed with the City Engineer and are identified as Project No. 730083.

Note: To compute the Construction Completion Deadline: If a final plat will be filed after Subdivider meets the requirements of this Agreement, the Construction Completion Deadline can be no later than two years after execution of this Agreement. (See Subdivision Ordinance Section 14-14-3.) If a final plat will not be filed pursuant to this Agreement, the Construction Completion Deadline can be no later than one year after approval of the preliminary plat by the Development Review Board ("DRB"), unless

the DRB grants an extension, not to exceed one additional year per extension, and the Subdivider processes an amendment to the Agreement. (See Subdivision Ordinance Section 14-14-3.) If this Agreement, with any amendments does not utilize the maximum time allowed for completion of construction, the Subdivider may obtain an extension of the Construction Completion Deadline if Subdivider shows adequate reason for the extension.

3. Work Order Requirements. The City agrees to issue a Work Order after:

A. The Subdivider causes to be submitted all documents, and meets all requirements listed in Development Process Manual, Volume 1, Chapter 5, Work Order Process, and figure 1, including submitting a Certificate of Insurance in a form acceptable to the City. The certificate must establish that the Subdivider has procured or has caused to be procured public liability insurance in the amount of not less than One Million Dollars (\$1,000,000) combined single limit for accidents or occurrences which cause bodily injury, death or property damage as a result of any condition of the Subdivision, the Improvements or the Subdivider's construction activities within, or related to the Subdivision. The insurance policy must name the City of Albuquerque, its employees and elected officials, as their interest may appear, as additional insured. The Subdivider must maintain the insurance until the City accepts the public Improvements and/or approves the private Improvements. The cancellation provision must provide that, if the policy is either canceled prior to the expiration date of the policy or is materially changed or not renewed, the issuing company will mail 30 days written notice to the City, attention City Engineer.

B. The Subdivider complies with all applicable laws, ordinances and regulations, including, but not limited to the City Excavation Ordinance and Sidewalk Ordinance, and pays the following required engineering, staking, testing fees, and other related City fees and County Clerk recording fees:

<u>Type of Fee</u>	<u>Amount</u>
<u>Engineering Fee</u>	
<u>Excavation And Sidewalk Ordinance, Street Restoration Fees</u>	<u>As required per City-approved estimate. (Figure 7)</u>

(Note: The Subdivider must pay the City all City fees which have been incurred during construction before the City will accept the public Improvements.

4. Surveying, Inspection and Testing. The Improvements shall be inspected, surveyed and tested in accordance with all applicable laws, ordinances, and regulations, and according to the following terms:

A. Construction Surveying. Construction surveying for the construction of the public Improvements shall be performed by Surv Tek Surveying, and construction surveying of the private Improvements shall be performed by Surv Tek Surveying. If the construction surveying is performed by an entity other than the City, the City may monitor the construction surveying and the Subdivider shall ensure that the construction surveying entity provides all construction surveying field notes, plats, reports and related data to the City which the City requires for review. Record drawings shall be provided by the entity performing the survey. The Subdivider shall pay the City a reasonable fee for any construction surveying performed by the City.

B. Construction Inspection Methods. Inspection of the construction of the public Improvements shall be performed by Smith Engineering, and inspection of the private Improvements shall be performed by Smith Engineering, both New Mexico Registered Professional Engineers. If the inspection is performed by an entity other than the City, the City may monitor the inspection and the Subdivider

shall ensure that the inspecting entity provides all inspection results, reports and related data to the City which the City requires for review. The City retains the right to perform its own general overall inspection of the construction project at any time prior to final acceptance of the Improvements, if deemed necessary or advisable by the City Engineer. The Subdivider shall pay the City a reasonable fee for the level of inspection performed by the City.

C. Field Testing. Field testing of the construction of the public Improvements shall be performed by Western Technologies and field testing of the private Improvements shall be performed by Western Technologies, both certified testing laboratories under the supervision of a New Mexico Registered Professional Engineer, in accordance with the current City of Albuquerque Standard Specifications for Public Works Construction. If any field testing is performed by an entity other than the City, the City may monitor the field testing and the Subdivider shall ensure that the field testing entity provides all field testing results, reports and related data to the City which the City requires for review. The Subdivider shall pay the City a reasonable fee for any field testing performed by the City.

D. Additional Testing. The City retains the right to perform all additional testing which the City Engineer deems is necessary or advisable, and the Subdivider shall pay the City a reasonable fee therefor.

5. Financial Guaranty. If final plat approval is not requested prior to construction of the Subdivision, a financial guaranty is not required. If final plat approval is requested, the Subdivider must provide the City with a financial guaranty in an amount of not less than 125% of the estimated cost of constructing the Improvements, as approved by the City Engineer. The financial guaranty must be irrevocable and may be in the form of a letter of credit, escrow deposit or loan reserve letter issued by a Federally Insured Financial Institution; a bond issued by a surety qualified to do business in New Mexico; or other pledge of liquid assets which meets all City requirements. The City must be able to call the financial guaranty at any time within the sixty (60) days immediately following the Construction Completion Deadline.

To meet the Subdivision Ordinance requirements, the Subdivider has acquired or is able to acquire the following "Financial Guaranty:"

Type of Financial Guaranty: Not Seeking Final Plat
Amount: \$ _____ Name of Financial Institution or Surety _____
Date City first able to call Guaranty: _____
[Construction Completion Deadline]: _____ 20_____
If Guaranty other than a Bond, last day City able to call Guaranty is: _____, 20_____
Additional information: _____

6. Notice of Start of Construction. Before construction begins, the Subdivider shall deliver an acceptable Notice to Proceed to the City and shall arrange or a preconstruction conference and all required inspections.

7. Completion, Acceptance and Termination. When the City receives Subdivider's final acceptance package, the City shall review it for completeness and accuracy. (See DPM Volume 1, Chapter 5, Work Order Process, Step 9.) If the package is acceptable, the City shall approve the package and issue a Certificate of Completion and Acceptance for the public Improvements and a Certificate of Completion for the private Improvements. Thereafter, the Subdivider's obligations to the City pursuant to this Agreement shall terminate, with the exception of the bond or other guarantee which the Subdivider has provided to assure the materials and workmanship, as required by the Subdivision Ordinance. After the City approves the final acceptance package, the City will promptly release this Agreement and the Financial Guaranty.

8. Conveyance of Property Rights. When the Improvements are completed, if the City does not own the real property upon or in which the public Improvements are constructed, the Subdivider will convey to the City all real and personal property rights which the City deems reasonably necessary, and all public Improvements, free and clear of all claims, encumbrances and liens before the City will accept the public Improvements. Conveyance may be made by appropriate dedication on the final plat of the Subdivision.

9. Reduction of Financial Guaranty Upon Partial Completion. The Subdivider shall be entitled to a reduction of the Financial Guaranty as a result of completing construction of part of the Improvements if the following conditions are met:

A. Loan Reserve Financial Guaranty. If a loan reserve letter was provided as the Financial Guaranty, the Subdivider must follow the procedures and meet the requirements detailed in the Development Process Manual, Volume 1, Chapter 5.

B. Non-Loan Reserve Financial Guaranty. If a Financial Guarantee other than a loan reserve letter has been provided, the completed Improvements must be free-standing, functionally independent of any Improvements which have not yet been completed and completed in substantial compliance with the approved construction plans, as determined by City on-site inspection in order to qualify for a Financial Guaranty reduction. If the Improvements which have been completed meet all City requirements, the City Engineer will estimate the cost of completing the remaining Improvements. Thereafter, the subdivider must submit the following documents to the City for review and approval:

(1) A revised Financial Guaranty in an amount of not less than 125% of the cost of completing the remaining Improvements, as estimated by the City;

(2) A bond or other instrument acceptable to the City, which guarantees the completed Improvements against defective materials and workmanship for the period required by the Subdivision Ordinance.

(3) Conveyance of real and personal property rights which meet the requirements of section 8 of this Agreement.

After the City receives and approves the required documents, the City shall issue a Partial Certificate of Completion and Acceptance for the completed public Improvements and a Certificate of Partial Completion for the completed private Improvements.

10. Indemnification. Until the Improvements are accepted by the City, the Developer shall be solely responsible for maintaining the premises upon which the Improvements are being constructed in a safe condition. The Developer agrees to defend, indemnify and hold harmless the City and its officials, agents and employees from any claims, actions, suits or other proceedings arising from or out of the negligent acts or omissions of the Developer, its agents, representatives, contractors or subcontractors or arising from the failure of the Developer, its agents, representatives, contractors or subcontractors to perform any act or duty required of the Developer herein; provided, however, to the extent, if at all, Section 56-7-1 NMSA 1978 is applicable to this Agreement, this Agreement to indemnify will not extend to liability, claims, damages, losses or expenses, including attorney fees, arising out of (1) the preparation or approval of maps, drawings, opinions, reports, surveys, change orders, designs or specifications by the indemnitee, or the agents or employees of the indemnitee; or (2) the giving of or the failure to give directions or instructions by the indemnitee, where such giving or failure to give directions or instructions is the primary cause of bodily injury to persons or damage to property. The indemnification required hereunder shall not be limited as a result of the specifications of any applicable insurance coverage. Nothing herein is intended to impair any right or immunity under the laws of the State of New Mexico.

11. Assignment. This Agreement shall not be assigned without the prior written consent of the City and the Subdivider and the express written concurrence of any financial institution or surety which has undertaken to guarantee the completion of the Improvements. The City's approval will not be withheld unreasonably. If so assigned, this Agreement shall extend to and be binding upon the successors and assigns of the parties hereto.

12. Release. If the Subdivision or any part thereof is sold, conveyed or assigned, the City will not release the Subdivider from its obligations under this Agreement and will continue to hold the Subdivider responsible for all Improvements until a successor in interest to the Subdivider has entered into a Subdivision Improvements Agreement with the City. Thereafter, if the Subdivider's successor in interest has provided a substitute financial guaranty acceptable to the City, the City will release this Agreement and any related Financial Guaranty.

13. Payment for Incomplete Improvements. If the Subdivider fails to satisfactorily complete construction of the Improvements by the Construction Completion Deadline, the City may construct or cause the Improvements to be constructed as shown on the final plat and in the approved plans and specifications. The Subdivider shall be jointly and severally liable to pay to, and indemnify the City for the total cost, including, but not limited to engineering, legal and contingent costs, together with any damages, either direct or consequential, which the City may sustain as a result of Subdivider's failure to perform as required by this Agreement. If the direct or indirect costs and damages to the City exceed the amount of the City's Claim of Lien or any Financial Guaranty, the Subdivider shall be liable to, and shall pay, the City for all such costs and damages. The surety or sureties shall be jointly and severally liable to pay to and indemnify the City for the total cost to the extent of their obligations pursuant to any Financial Guaranty.

14. Binding on Subdivider's Property. The provisions of this Agreement constitute covenants running with Subdivider's Property for the benefit of the City and its successors and assigns until terminated, and are binding on the Subdivider and the Owner and their heirs, successors and assigns.

15. Notice. For purposes of giving formal written notice, including notice of change of address, the Subdivider's and the City's addresses are as stated in the first paragraph of this Agreement. Notice may be given either in person or by certified U.S. mail, postage paid. Notice will be considered to have been received within six days after the notice is mailed if there is no actual evidence of receipt.

16. Entire Agreement. This Agreement contains the entire agreement of the parties and supersedes any and all other agreements or understandings, oral or written, whether previous to the execution hereof or contemporaneous herewith.

17. Changes to Agreement. Changes to this Agreement are not binding unless made in writing, signed by both parties.

18. Construction and Severability. If any part of this Agreement is held to be invalid or unenforceable, the remainder of the Agreement will remain valid and enforceable if the remainder is reasonably capable of completion.

19. Captions. The captions to the sections or paragraphs of this Agreement are not part of this Agreement and will not affect the meaning or construction of any of its provisions.

20. Form not Changed. Subdivider agrees that changes to this form are not binding unless initialed by the subdivider and signed by the City's Legal Department on this form.

21. Authority to Execute. If the Subdivider signing below is not the Owner of the Subdivision, the Owner must execute the Power of Attorney below.

Executed on the date stated in the first paragraph of this Agreement.

SANTA FE AT THE TRAILS (TRACT C)

Following is a summary of PUBLIC/PRIVATE Infrastructure required to be constructed or financially guaranteed for the above development. This Listing is not necessarily a complete listing. During the SIA process and/or in the review of the construction drawings, if the DRC Chair determines that appurtenant items and/or unforeseen items have not been included in the infrastructure listing, the DRC Chair may include those items in the listing and related financial guarantee. Likewise, if the DRC Chair determines that appurtenant or non-essential items can be deleted from the listing, those items may be deleted as well as the related portions of the financial guarantees. All such revisions require approval by the DRC Chair, the User Department and agent/owner. If such approvals are obtained, these revisions to the listing will be incorporated administratively. In addition, any unforeseen items which arise during construction which are necessary to complete the project and which normally are the Subdivider's responsibility will be required as a condition of project acceptance and close out by the City

TO SUBDIVISION IMPROVEMENTS AGREEMENT
DEVELOPMENT REVIEW BOARD (D.R.B.) REQUIRED INFRASTRUCTURE LIST
SANTA FE AT THE TRAILS (TRACT G)

Following is a summary of PUBLIC/PRIVATE Infrastructure required to be constructed or financially guaranteed for the above development. This Listing is not necessarily a complete listing. During the SIA process and/or in the review of the construction drawings, if the DRC Chair determines that appurtenant items and/or unforeseen items have not been included in the infrastructure listing, the DRC Chair may include those items in the listing and related financial guarantee. Likewise, if the DRC Chair determines that appurtenant or non-essential items can be deleted from the listing, those items may be deleted as well as the related portions of the financial guarantees. All such revisions require approval by the DRC Chair, the User Department and agent/owner. If such approvals are obtained, these revisions to the listing will be incorporated administratively. In addition, any unforeseen items which arise during construction which are necessary to complete the project and which normally are the Subdivider's responsibility will be required as a condition of project acceptance and close out by the City.

HAND-DELIVERED

re: Request for Approval of a Bulk Land Division, a Site Plan For Subdivision
Pursuant to the Requirements of the R-D Zone, and Two Preliminary/Final Plats

Dear Ms. Matson:

I write on behalf of our client, The Trails LLC, to request the above actions be considered with reference to lands located in the southwest and southeast quadrants of the intersection of Rainbow Boulevard and Paseo Del Norte NW.. The property is further described on the attached map and lies within Zone Atlas Maps C-8 and C-9.

First let me thank you and the other members of the Board for your guidance in the preparation of these applications. Today we are submitting four separate applications (attached):

- A Preliminary and Final Bulk Land Division for approximately 200 acres of land, including the vacation of a roadway easement;
- A Site Plan consistent with Section 14.16. 2.14 of the Comprehensive Zoning Code (the R-D) zone for 100 acres of the Bulk Land Division
- A Preliminary and Final Plat for Tract C of the Bulk Land Division; and,
- A Preliminary and Final Plat for Tract D of the Bulk Land Division

The materials necessary to the development of a Parks Agreement have been separately submitted to the Parks Department; a Traffic Mitigation Agreement has been agreed to verbally, but has not yet been submitted. Importantly, these applications are prefatory to the submittal of a request for approval of a Sector Development Plan for a multi-phase project.

In accordance with the provisions of the R-D zone, the applicant wishes to proceed with platting and development within Phase 1 of the larger project. Because the proposed lot sizes for portions of this Phase I development are smaller than those permitted by §14.16.2.14.A, submittal of the

Ms. Sheran Matson

attached Site Plan is required (§14.16.2.14.C). This Site Plan also addresses landscaping requirements for all aspects of the proposed Plan. As specified by this section, approval of such a Plan will allow development of the R-D zoned property as permitted and controlled by the R-T zoning regulations.

Thus approval of these submittals will:

- Define a Bulk Land Division for approximately 200 acres of land; vacate an existing roadway easement; grant the right-of-way for Rainbow Boulevard and define areas to be set aside for dedicated parks and undedicated open-space areas
- Establish the Site Plan and Landscaping Plan necessary to allow reliance on the regulations and procedures of the R-T zone for 100 acres of the property; and establish conceptual utility plans
- Establish specific plats for Tracts C and D of the bulk land division (approximately 37 acres in aggregate) along with infrastructure lists for these areas

Please note that the Site Plan submittal probably contains significantly more information than might be included in a typical R-D Site Plan request. This is in anticipation of the future Sector Development Plan submittal and the developer's desire to ensure that Phase I sets a precedent for development throughout the entire project.

We request that these matters be scheduled on the Board's agenda for September 24, 2003. Once again, I want to thank the members of the Board for their guidance in this matter. Should you have any questions or require further information please do hesitate to contact me.

Sincerely yours,

Lawrence Kline AICP

SIGN POSTING AGREEMENT

REQUIREMENTS

POSTING SIGNS ANNOUNCING PUBLIC HEARINGS

All persons making application to the City under the requirements and procedures established by the City Zoning Code or Subdivision Ordinance are responsible for the posting and maintaining of one or more signs on the property which the application describes. Vacations of public rights-of-way (if the way has been in use) also require signs. Waterproof signs are provided at the time of application. If the application is mailed, you must still stop at the Development Services Front Counter to pick up the sign.

The applicant is responsible for ensuring that the signs remain posted throughout the 15-day period prior to public hearing. Failure to maintain the signs during this entire period may be cause for deferral or denial of the application. Replacement signs for those lost or damaged are available from the Development Services Front Counter at a charge of \$3.50 each.

1. LOCATION

- A. The sign shall be conspicuously located. It shall be located within twenty feet of the public sidewalk (or edge of public street). Staff may indicate a specific location.
- B. The face of the sign shall be parallel to the street, and the bottom of the sign shall be at least two feet from the ground.
- C. No barrier shall prevent a person from coming within five feet of the sign to read it.

2. NUMBER

- A. One sign shall be posted on each paved street frontage. Signs may be required on unpaved street frontages.
- B. If the land does not abut a public street, then, in addition to a sign placed on the property, a sign shall be placed on and at the edge of the public right-of-way of the nearest paved City street. Such a sign must direct readers toward the subject property by an arrow and an indication of distance.

3. PHYSICAL POSTING

- A. A heavy stake with two crossbars or a full plywood backing works best to keep the sign in place, especially during high winds.
- B. Large headed nails or staples are best for attaching signs to a post or backing; the sign tears out less easily.

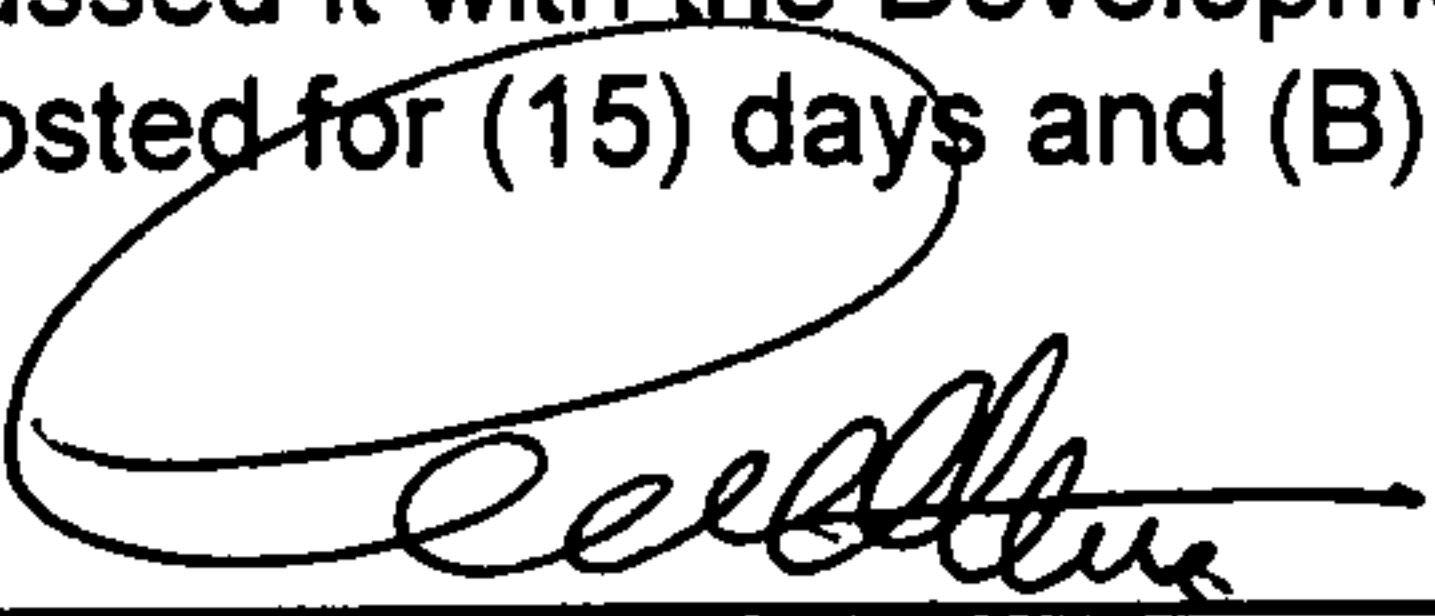

4. TIME

Signs must be posted from Sep 23 2003 To Oct 8 2003

5. REMOVAL

- A. The sign is not to be removed before the initial hearing on the request.
- B. The sign should be removed within five (5) days after the initial hearing.

I have read this sheet and discussed it with the Development Services Front Counter Staff. I understand (A) my obligation to keep the sign(s) posted for (15) days and (B) where the sign(s) are to be located. I am being given a copy of this sheet.

DEVELOPMENT REVIEW BOARD (D R B.) REQUIRED INFRASTRUCTURE LIST
SANTA FE AT THE TRAILS (TRACT C)

Following is a summary of PUBLIC/PRIVATE Infrastructure required to be constructed or financially guaranteed for the above development. This Listing is not necessarily a complete listing. During the SIA process and/or in the review of the construction drawings, if the DRC Chair determines that appurtenant items and/or unforeseen items have not been included in the infrastructure listing, the DRC Chair may include those items in the listing and related financial guarantee. Likewise, if the DRC Chair determines that appurtenant or non-essential items can be deleted from the listing, those items may be deleted as well as the related portions of the financial guarantees. All such revisions require approval by the DRC Chair, the User Department and agent/owner. If such approvals are obtained, these revisions to the listing will be incorporated administratively. In addition, any unforeseen items which arise during construction which are necessary to complete the project and which normally are the Subdivider's responsibility will be required as a condition of project acceptance and close out by the City.

Re: Sketch Plat Review and Comment
Tract C & D; The Trails

Dear Sheranr:

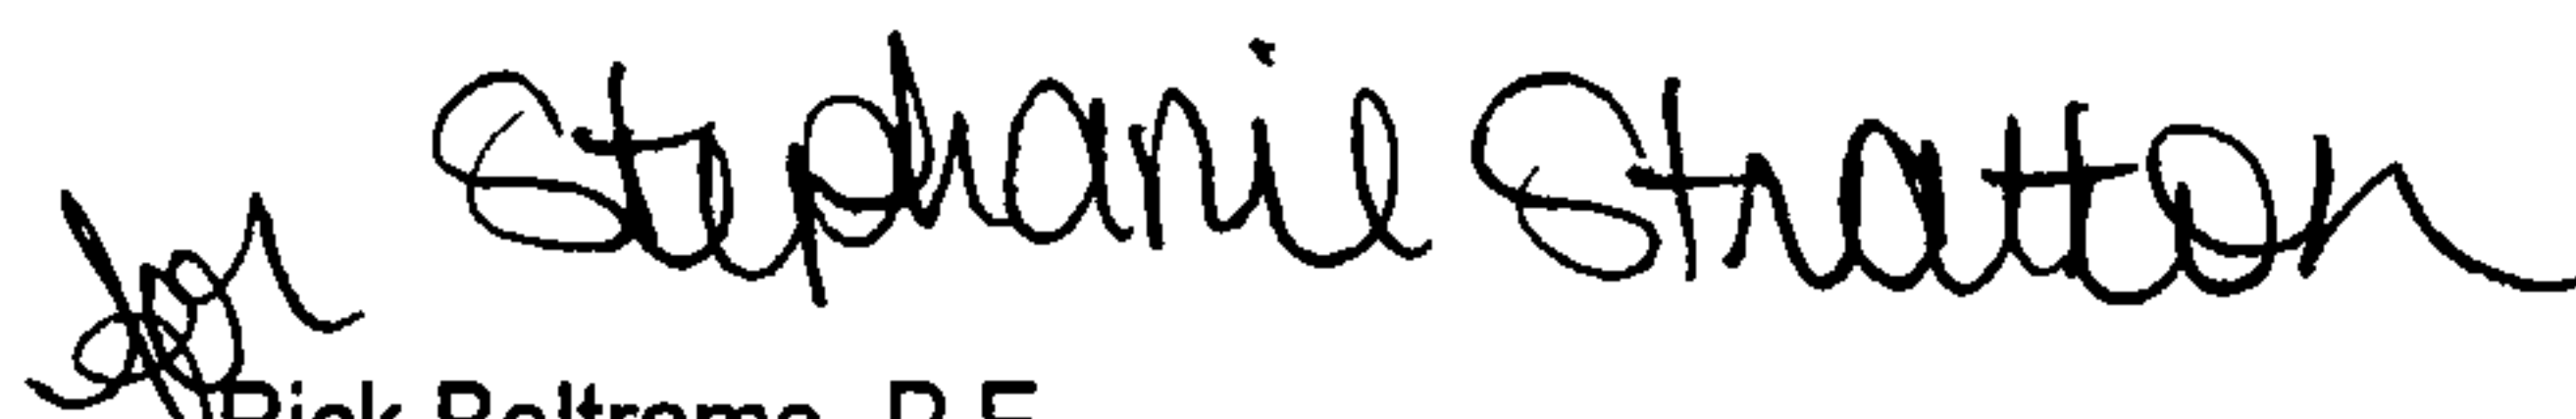

Enclosed for Development Review Board (DRB) sketch plat review and comment are copies of the following information:

- Development Review Applications
- Six (6) copies each of the Sketch Plat, and
- Zone Atlas Map
- Including Site Area Map of The Trails Tracts C & D

This sketch plat is being presented to the Development Review Board for the purpose of obtaining City input and comment. The Trails is a 400 acre Master Plan which is located at the corner of Universe Boulevard and Paseo Del Norte Boulevard Northwest, which is being developed by Longford Homes. We are creating a Sector Plan, Site Plan for Phase 1 and a Bulk Plat to create Phase 1. The beginning of the subdivision will start with Phase 1 creating Tracts C & D. These two sketch plats will begin the review process for the subdivision.

Please place this item on the DRB Agenda to be heard on September 3, 2003.

Sincerely,

Rick Beltramo, P.E.
