Comments:

1. In order to subdivide, separate water and sanitary sewer accounts must be established for the additional lot.
2. New lot must have a separate sewer connection to the public main line or have a legal agreement with the other property.
3. Plat must show all adjacent easements, there is an existing public sanitary sewer line along the north property line.
4. A tapping permit for sewer service will not be issued until the Fire Marshall has approved the overall fire protection plan for both lots.

If you have any questions or comments please call Roger Green at 924-3989.

1. In order to subdivide, separate water and sanitary sewer accounts must be established for the additional lot.
2. New lot must have a separate sewer connection to the public main line or have a legal agreement with the other property.
3. Plat must show all adjacent easements, there is an existing sanitary sewer line along the north property line.
