Development Review Board
City of Albuquerque

Dear Sirs:

My business partner Jane Stavish and I, dba JK Adventures, LLC, purchased 900/902 Phoenix Ave. N.W. at a foreclosure sale. The two houses, on the same property, were "meth" houses. We have remediated the meth problem to the satisfaction of the Albuquerque Police Department, and are significantly renovating both houses.

We would like to subdivide the lot if possible. 902 Phoenix is the older home and we initially believed it had all independent utilities. We have since learned that while it had independent gas and electric hookups, it did not have its own tie-in to the water main. We hired a plumbing contractor with the appropriate license to take care of that problem, and 902 now has its own hookup and meter.

900 Phoenix was built later and stands alone, with all utilities independent of the other residence. Both houses have had separate addresses for years, apparently, although it is unclear whether that was done for the postal service or some other purpose.

We will also be seeking a slight variance for the west side set-off of 902 Phoenix, which is slightly less than 20 feet.

Sincerely,

B. Kay Shafer
President, JK Adventures, LLC

OFFICIAL NOTICE OF DECISION

CITY OF ALBUQUERQUE
PLANNING DEPARTMENT
DEVELOPMENT REVIEW BOARD

January 30, 2013

Project# 1005141

12DRB-70328 MINOR - PRELIMINARY/ FINAL PLAT APPROVAL

12DRB-70342 VACATION OF PRIVATE EASEMENT

CARTESIAN SURVEYS INC agent(s) for CALVARY CHAPEL EAST, request(s) the above action(s) for all or a portion of Tract(s) L-1-A, L-1-B & L-1-C, **PANORAMA HEIGHTS** zoned O-1, located on INDIAN SCHOOL BETWEEN EASTRIDGE AND CONSTITUTION containing approximately 7.677 acre(s). (J-22)[*Deferred from 10/24/12, 10/31/12*]

At the January 30, 2013 Development Review Board meeting, the vacation was approved as shown on exhibit B in the planning file per section 14-14-7-2(a) (1) and (b) (1)(3) of the subdivision ordinance. The preliminary/final plat was approved with final sign off delegated to planning for AGIS DXF.

Findings

The request was filed by the owner of all the frontage for the proposed vacation.

Based on the proposed replat, the public welfare is in no way served by retaining the easement.

There is no convincing evidence that any substantial property right is being abridged against the will of the owner of the right. Property owners of record abutting the proposed vacation were notified by first class mail at least six days prior to the Development Review Board hearing approving the vacation and no objection regarding access or the abridgement of a substantial property right was raised.

CONDITIONS:

1. The vacated property shall be shown on a replat approved by the Development Review Board and the approved replat shall be filed for record with the Bernalillo County Clerk's Office within one year.

If you wish to appeal this decision, you must do so by February 17, 2013 in the manner described below.

Appeal is to the Land Use Hearing Officer. Any person aggrieved with any determination of the Development Review Board may file an appeal on the Planning

Department form, to the Planning Department, within 15 days of the Development Review Board's decision.

The date the determination in question is issued is not included in the 15-day period for filing an appeal.

If the fifteenth day falls on a Saturday, Sunday or holiday as listed in the Merit System Ordinance, the next working day is considered as the deadline for filing the appeal. Such appeal shall be heard within 60 days of its filing.

You will receive notice if any other person files an appeal. Successful applicants are reminded that other requirements of the City must be complied with, even after approval of the referenced application(s).

Please note that the vacation of all plats, rights-of-way, and easements are void after one year from the final appeal date referenced above if all conditions are not met (The effective date of Development Review Board approval is the hearing date plus the 15-day appeal period.) (REF: Chapter 14 Article 14 Part 7-2 (E)(3)(6) Revised Ordinance.)

Dear Sirs,

My business partner Jane Stavish and I, dba JK Adventures, LLC, purchased 900/902 Phoenix at a foreclosure sale. It was a "meth" house, or houses - there are 2 houses on the lot. We have remediated the meth and are significantly renovating both houses.

We would like to subdivide the lot if possible. 902 Phoenix is the older home and has all independent utilities. 900 was built later and also stands alone, with independent utility tie-ins.

^{also} We are seeking a variance for the west side set-off of 902 Phoenix, which is slightly less than 20 feet.
