CLERK DISTRICT COURT

This matter having come before the Court upon the
Stipulation of the parties and the Court being fully advised in
the premises, FINDS:

The parties who claim an interest in the property, the
subject of this condemnation at the time of the taking by the
City, and the parties who shall be awarded the proceeds from
this condemnation are:

Margaret H. Glasebrook and
St. John's Episcopal Cathedral.

Defendant, Board of Commissioners of Bernalillo

County, New Mexico, has no ownership interest in the property,
the subject of this action, having filed a disclaimer on the
property, and is therefore entitled to no compensation.

The Court further finds that the City of Albuquerque
needs to acquire for the public purpose of constructing,
repairing and maintaining a sanitary sewer facility the
easements within the properties which are the subject of this
action, which easements are situate within the City of
Albuquerque, County of Bernalillo, State of New Mexico.

The Court further finds that just compensation for the easements taken is \$9,000.00. Said sum shall bear no interest.

The Court further finds that the City shall bear the expense of adjusting the manholes to grade on Defendants' property at such time as the Defendants develop the subject property and request the City to adjust the manholes.

The Court further finds that the Defendants shall have the right to tie-in to the sanitary sewer line at Defendants' expense for sanitary sewer service to the larger tracts of property, the subject of this action.

The Court further finds that it is necessary for Petitioner to acquire a portion of Defendants' property as temporary construction easements for a term to last until construction of the sewer facilities is completed and the facilities are in operation. Petitioner, its agents and contractors will then vacate the temporary easements and restore these lands to their present condition insofar as practicable.

The Court further finds that Defendants reserve as to their respective lands, the right to fully use and enjoy said premises except for the erection of buildings or other structures upon and over the easements herein condemned and except for the deposit of any objects which will interfere with the operation of said sewer facilities below the surface, and except as any use may be inconsistent with or interfere with the rights and privileges necessary to the City in the construction, operation and future maintenance of said sewer facilities.

IT IS, THEREFORE, ORDERED, ADJUDGED AND DECREED that in consideration of the City's payment of \$9,000.00 as full and total compensation, the City of Albuquerque is granted a permanent easement for the purpose of constructing, repairing and maintaining a sanitary sewer facility across the following described real estate, situate within the ~~City of Albuquerque~~ County of Bernalillo, State of New Mexico, and that the City of Albuquerque is granted a temporary construction easement for the following described real estate, situate within the City of Albuquerque, County of Bernalillo, State of New Mexico:
