## ARTICLE II EASEMENTS

### Section 2.01. Ingress and Egress.

(A) Peterson hereby grants to and conveys for the benefit of Parcels 2 and 3, the Owners thereof, their lessees, customers and invitees a perpetual, non-exclusive, reciprocal easement for vehicular and pedestrian ingress to and egress from Unser Blvd., McMahon Blvd. and Fineland Drive (i) over, upon and across those areas of Parcel 1 crosshatched and designated "**Common Access Driveways**" as shown on Exhibit "C" hereto; and (ii) over, upon and across the Common Area of Parcel 1 as such Common Area may exist from time to time. The Common Access Driveways on Parcel 1 may be adjusted by the Owner thereof to be the same as the drive aisles on Parcel 1 consistent with a revised building layout on Parcel 1 as may be set forth by the Owner of Parcel 1.

(B) JMD hereby grants to and conveys for the benefit of Parcels 1, and 3, the Owners thereof, their lessees, customers and invitees a perpetual, non-exclusive, reciprocal easement for vehicular and pedestrian ingress to and egress from Unser Blvd., McMahon Blvd. and Fineland Drive (i) over, upon and across those areas of Parcel 2 crosshatched and designated "**Common Access Driveways**" as shown on Exhibit "C" hereto; and (ii) over, upon and across the Common Area of Parcel 2 as such Common Area may exist from time to time.

(C) Gonzales hereby grants to and conveys for the benefit of Parcels 1 and 2, the Owners thereof, their lessees, customers and invitees a perpetual, non-exclusive, reciprocal easement for vehicular and pedestrian ingress to and egress from Unser Blvd., McMahon Blvd. and Fineland Drive (i) over, upon and across those areas of Parcel 3 crosshatched and designated "**Common Access Driveways**" as shown on Exhibit "C" hereto; and (ii) over, upon and across the Common Area of Parcel 3 as such Common Area may exist from time to time.

(D) The easement rights created in this Section 2.01 are collectively referred to as "**Access Easements**".

(E) No Owner of any Parcel shall construct or permit any barrier, fence, wall, building or any other structure of any kind which prevents or materially and adversely affects access over the Common Area and or the Common Access Driveways.

(F) Nothing contained herein shall be construed as a grant by Parcel 1 Owner of any vehicular parking rights in Parcel 1 for the benefit of any other Parcel or a grant by the Owners of Parcels 2 and 3 of any vehicular parking rights in Parcels 2 and 3 for the benefit of Parcel 1, and the Owner of Parcel 1 and the Owners of Parcels 2 and 3 shall at all times provide sufficient parking on its/their Parcel(s) or portion thereof to satisfy any and all governmental parking requirements applicable thereto. Additionally, no facility on any Parcel containing a vehicular drive-up or drive-thru in which the stopping or standing of motor vehicles in line at a location for drop off and or pickup is intended (as, for example, at a restaurant, car wash or bank) shall be designed, constructed, used or operated in any manner such that motor vehicles in line at such facility stop or stand onto any other Parcel or otherwise interfere with the normal pattern and flow of pedestrian or vehicular traffic on and across any other Parcel.

(G) In the event the development of any Parcel precedes the development of any other Parcel(s), the Owner first commencing construction on its Parcel shall have the right to construct, erect and install, the Common Access Driveways (in whole or in part) located on the other Parcels as are approximately shown on Exhibit "C", together with any off- and/or on-site improvements on the Property that may be required in conjunction therewith by any governmental authority with jurisdiction ("Early Access Construction"). Early Access Construction shall be commenced and thereafter

completed, if at all: (i) in accordance with the government-approved site development plan for the Property; (ii) executed in a good and workmanlike manner using new materials and in accordance with all applicable codes and ordinances; (iii) so as to minimize any interference with any construction activities occurring on the other Parcels; and (iv) only after providing twenty (20) days prior written notice together with a complete set of plans to each of the other Owners.

(H) Such Common Access Driveways shall be constructed to the extent deemed necessary by the Owner first commencing construction on its Parcel in its sole discretion. Thereafter, the Owners of each of the other Parcels, concurrent with the development of their respective Parcels, shall complete construction of all those portions of the Common Access Driveways as exist on their respective Parcel, and which were not previously constructed by the Owner first commencing construction on its Parcel. Grades shall be required to match existing Common Access Driveways grades at the boundary of any other Parcel. During the development of any Parcel the existing Common Access Driveways shall at all times remain open, except that during the construction of improvements on Parcel 3, the Owner of such Parcel(s) shall have the right to close, to the extent and for the period reasonably necessary due to construction activities, that particular portion of Common Access Driveway which fronts, is parallel to, and is closest to Unser Blvd. (provided that, if construction of the building on Parcel 1 has begun, the portion of the Common Access Driveways immediately east of and parallel to such temporarily closed portion must be constructed prior to such temporary closing). Notwithstanding anything to the contrary herein, in no event shall such closure extend for a period in excess of six (6) months.

(I) After construction, the Owner of each Parcel, its successors, assigns, lessees or occupants, shall maintain those portions of the Common Access Driveways as exist on its Parcel, each at their sole cost and expense, in good condition and repair, clean and free of all rubbish and obstructions. Notwithstanding anything to the contrary contained herein, the improvements constructed by the Owners of each Parcel may differ from those shown on the attached Exhibit "C" except the Common Access Driveways (other than the adjustment permitted for Parcel 1 as set forth in Section 2.01(A), provided they comply with all applicable governmental approvals and

requirements). Notwithstanding anything to the contrary contained herein, the Common Access Driveways shall be increased or decreased in length, as necessary, to directly connect with the median and/or curb cuts along Unser Blvd. and McMahon Blvd., and to directly connect with Fineland Drive. In the event it is requested by a governmental entity with appropriate authority or by a utility company in order to accommodate the development of an Owner's Parcel, the other Owner(s) shall, in good faith, execute such documentation as is reasonably necessary to allow easements to be granted to such authority or utility company for underground improvements in the Common Access Driveways, but only if the purpose of such easement could not be accomplished by using the ten (10) foot wide public utility easement existing on the Property by way of plat. In the event of blockage or material impairment of the easement rights over the Access Easements by an Owner, its agents, employees, or tenants, any Owner may cure same; in the even to the unauthorized parking of vehicles on Parcel 1 (by any other Owner, its employees, agents or tenants), the Owner of Parcel 1 may cure the same.

Section 2.02. Utilities. (A) The Parties hereby jointly establish, grant and convey for the benefit of the entire Property, each Owner thereof, its successors, assigns and lessees, a perpetual, non-exclusive, reciprocal underground easement across the Common Area of each Parcel (as may exist from time to time), for the purpose of installing, maintaining, operating, repairing, replacing and renewing any and all utility lines and related facilities, including without limitation, electricity, water, gas, sewer, telephone, cable television and storm drains ("**Utilities**"), but only if the purpose of such easement could not be accomplished by using public utility easements existing on the Property. To the extent required by any applicable utility provider, each Owner, its successors, assigns and lessees, does hereby warrant and covenant that it will, within ten (10) business days of receiving a written request therefore together with all documents necessary for proper review, including legal description and drawings, execute, at no cost to such executing Owner, a commercially reasonable agreement or easement necessary to provide utility service to all or any portion of the Property, provided any such easement shall only be located within the Common Area of each Parcel (as may exist from time to time), and provided the form and location of any such easement shall be reasonably acceptable to the Owner of the burdened Parcel.

(B) Unless otherwise required by a utility provider, all Utilities shall be installed and maintained below the ground level or surface of the Parcel (except for such parts thereof that cannot and are not intended to be placed below the surface, such as transformers and control panels) and shall be placed within easements granted as a part of the development plan or within easements granted by the Owner of the burdened Parcel. No such Utilities shall be located within any existing or reasonably planned building footprint, or encroach upon any existing or reasonably planned permanent improvements located on the Property from time to time, and all such easements, shall (if practical) be located along perimeters or boundary lines of the Property, but in any event shall be situated so as to minimize damage, diminution in value or other negative impacts upon the burdened Parcel or Common Areas.

(C) If a utility installed shall serve only the party installing the same, it shall be the responsibility of that party to maintain that utility to the extent not maintained by the utility provider, wherever located on the Property.

(D) The utility easements granted hereby are solely for the purposes set forth above, provided, however, that in using the easements granted hereby, any Owner who goes, or causes its agent or any utility company to go, upon any other Owner's property or Common Area shall (i) give the other Owner(s) at least twenty (20) days prior written notice together with a drawing of any proposed installation or relocation of any Utilities; (ii) cause such use of its utility easement to be conducted in a manner which, under the circumstances, is the least disruptive to the other Owner(s), their tenants, and the customers and invitees of each of them; (iii) cause such use to be completed with due regard for the safety of all persons coming onto such property or Common Area, and (iv) cause, at its expense, any damage to any other Owner's or its tenant's improvements (including without limitation, pavement) to be promptly repaired and restored as near as practicable to the prior condition of such improvement.

(E) Each such Owner shall be liable to such other Owners and tenants for any breach of the foregoing obligations, and each such Owner shall indemnify such other Owners and tenants and hold such other Owners and tenants free, clear and harmless from any and all claims, actions, demands, causes of action, costs and expenses

whatsoever (including attorneys fees and court costs) for any personal injury or property damage arising from or as a result of such Owner's use of a utility easement upon such other Owner's property or Common Area. Except as set forth hereinabove relating to utilities serving a single party, the Owner of each Parcel shall maintain, each at its sole cost and expense, in good condition and repair, those portions of the Utilities as exist on its respective Parcel.

(F) Without limiting the provisions of this Section 2.02, the initial conceptual utility plan is attached hereto as Exhibit "D" and may be adjusted from time to time as needed to accommodate the requests of governmental authority, utility providers, or the Owners in accordance with this Agreement.

Section 2.03. Drainage. (A) The Parties hereby jointly establish, grant and convey for the benefit of the entire Property, each Owner thereof, its successors, assigns and lessees, a perpetual, non-exclusive, reciprocal drainage easement over, upon, under and across the Common Area of each Parcel for the benefit of each other Parcel, for the purposes of drainage of storm and surface water. The Parties also hereby agree to establish, grant and convey non-exclusive and perpetual easements to each other to install, maintain, operate, repair and replace storm water collection, retention, detention and distribution lines, conduits, pipes and other drainage apparatus (the "**Drainage Facilities**") under and across the Common Area of each Parcel.

(B) The drainage easements granted hereby are solely for the purposes set forth above, provided, however, that in using the easements granted hereby, any Owner who goes, or causes its agent or any utility company to go, upon any other Owner's property or Common Area shall (i) give the other Owner(s) at least twenty (20) days prior written notice together with a drawing of any proposed installation or relocation of any Drainage Facilities; (ii) cause such use of its drainage easement to be conducted in a manner which, under the circumstances, is the least disruptive to the other Owner(s), their tenants, and the customers and invitees of each of them; (iii) cause such use to be completed with due regard for the safety of all persons coming onto such property or Common Area, and (iv) cause, at its expense, any damage to any other Owner's or its tenant's improvements (including without limitation, pavement) to be promptly repaired and restored as near as practicable to the prior condition of such improvement.

(C) Each such Owner shall be liable to such other Owners and tenants for any breach of the foregoing obligations, and each such Owner shall indemnify such other Owners and tenants and hold such other Owners and tenants free, clear and harmless from any and all claims, actions, demands, causes of action, costs and expenses whatsoever (including attorneys fees and court costs) for any personal injury or property damage arising from or as a result of such Owner's use of a drainage easement upon such other Owner's property or Common Area.

(D) Once constructed, (i) the Drainage Facilities shall not be modified, altered or otherwise changed, without the prior written consent of all Owners; and (ii) each Owner shall operate and maintain, or cause to be operated and maintained, in good order, condition and repair, the Drainage Facilities located upon its Parcel and make any and all repairs and replacements that may from time to time be required with respect thereto.

(E) Without limiting the provisions of this Section 2.03, the initial conceptual drainage plan is attached hereto as Exhibit "E" and may be adjusted from time to time as needed to accommodate the requests of governmental authority, utility providers, or the Owners in accordance with this Agreement.

In addition to all other remedies available at law or in equity, upon the failure of a defaulting party to cure a breach of this Agreement within thirty (30) days following written notice thereof by another party (unless, with respect to any such breach the nature of which cannot reasonably be cured within such thirty (30) day period, the defaulting party commences such cure within such thirty (30) day period and thereafter diligently pursues such cure to completion) the non-defaulting party or parties shall have the right to perform such obligation contained in this Agreement on behalf of such defaulting party and be reimbursed by such defaulting party, upon demand, for the reasonable costs incurred in the course of curing such default together with interest thereon at the prime rate for Wells Fargo Bank (or any successor institution) plus two percent (2%) (not to exceed the maximum rate of interest allowed by law). Upon request, annually each Owner shall provide the other Owner(s) with a certificate of insurance, evidencing the existence of a valid policy of insurance in conformity with the above specifications.

Section 4.06. Covenants Running With The Land. The easements and covenants established by this Agreement shall run in perpetuity and are intended to be and shall be construed as covenants running with the land, binding upon, and inuring to the benefit of and enforceable by the Parties and all subsequent Owners of the Property or any part thereof, provided however, that nothing contained herein shall be construed as a grant for the benefit of any other Owner of any right or easement in any part of its property for parking purposes. If during the existence of this Agreement, an Owner of all or any part of the Property shall sell or transfer or otherwise terminate its interest as Owner, then from and after the effective date of such sale, transfer, or termination of interest, such party shall be released and discharged from any and all obligations, responsibilities and liabilities under this Agreement as to the parts sold or transferred provided that the transferee assumes all of said obligations, responsibilities and liabilities, except those obligations, responsibilities and liabilities (if any) which have already accrued as of such date, and any such transferee by the acceptance of the transfer of such interest shall thereupon become subject to the covenants contained herein to the same extent as if such transferee were originally a party hereto. The covenants and easements established hereby are not intended and shall not be construed as a dedication of such rights in the Property for public use, and this Agreement shall not be deemed to vest any rights in any customers, invitees or the public at large, but are solely for the benefit of the Owners of the Property and their lessees, customers and invitees to the extent heretofore established.

Section 4.07. Attorneys Fees. In the event any Owner (or CVS as the case may be) is required to enforce the provisions hereof through judicial proceedings, the prevailing party shall be entitled to reasonable attorneys fees and court costs from the non-prevailing party.

Owner to whom such request is made, whether or not the requesting Owner is in Default of this Agreement.

Section 4.09. Effective Date. The covenants, conditions, restrictions and cross-easements contained herein shall be effective commencing on the date of recordation of this Agreement in the Official Records and may be modified, amended or canceled by recordation in the Official Records of a writing executed by all of the fee Owners of the land area of the Property (less any area dedicated for right of way, etc) at the time of such modification, amendment or cancellation.

Section 4.10. Severability. Each provision of this Agreement and the application thereof to each Parcel are hereby declared to be independent of and severable from the remainder of this Agreement. If any provision contained herein shall be held to be invalid or to be unenforceable or not to run with the land, such holding shall not affect the validity or enforceability of the remainder of this Agreement.

Section 4.11. Waiver. No waiver of any default of any obligation by any Owner of all or any part of the Property shall be implied from any omission by the other Owner or Owners to take any action with respect to such default.

Section 4.12. Relationship of the Owners. Nothing in this Agreement shall be deemed or construed by any Party or by any third person to confirm, create or imply the relationship of principal and agent or of limited or general partners or of joint venturers or of any other association between the Parties.

Section 4.13. Jurisdiction. The laws of the State of New Mexico shall govern the interpretation, validity, performance and enforcement of this Agreement.

Section 4.14. Subdivision. Nothing contained herein shall be construed as limiting the right of the Owner of any Parcel to subdivide and or sell all or any portion of its Parcel to any third party, so long as such third party assumes the rights and obligations established hereunder (such assumption need not be express and shall, in the least, be in accordance with Article V below).

Section 4.15. Legal Descriptions. In the event the validity or enforceability of any provision of this Agreement is held to be dependent upon the existence of a specific legal description, the Owners of each Parcel or any portion thereof, shall agree to promptly cause such legal description to be prepared and made a part hereof.

Section 4.16. Liens. All persons doing work for or furnishing labor or materials to any Parcel on the order of or on behalf of such Parcel's Owner shall look solely to that Party for payment. Other than as may be set forth specifically to the contrary below, the interests of each Party shall not be subject to liens for improvements made by any other Party as allowed under this Agreement. If any mechanic's and/or other liens, or order for the payment of money, shall be filed against any Parcel as a result of work performed by or on behalf of any other Owner, the Owner performing or causing such work shall cause the same to be canceled and discharged of record, by bond or otherwise, and shall also defend on behalf of the burdened Owner, any action, suit or proceeding which may be brought for the enforcement of such lien, liens or orders, and said Owner will pay any damage and satisfactorily discharge any judgment entered, and save harmless the burdened Owner from any associated claims, attorney's fees or damages. Notwithstanding anything to the contrary herein, in the event the Owner of any Parcel shall construct all or any portion of the Common Access Driveways located on the Property, the provisions of this Section 4.16 shall not be applicable with respect to the reimbursement obligations of the Owners benefited as set forth in Section 2.01(H).

Section 4.17. Legally Platted Parcels. The Parties acknowledge and agree that at such time as the Property is legally subdivided by the recording of a plat, the legal descriptions attached hereto shall be substituted and replaced with new legal descriptions created by and specifically referencing such recorded plat.

Section 4.18. Non-Disturbance. JMD represents that, as of the execution of this Agreement, there is no Mortgage against Parcel 2.
