INFRASTRUCTURE LIST

EXHIBIT 'A"

TO SUBDIVISION IMPROVEMENTS AGREEMENT
DEVELOPMENT REVIEW BOARD (D.R.B.) REQUIRED INFRASTRUCTURE LIST

PULTE AT MIREHAVEN PHASE 2 (TRACT N-2-D, WATERSHED)

Following is a summary of PUBLIC/PRIVATE Infrastructure required to be constructed or francially guaranteed for the above development. This Listing is not necessarily a complete fishing. During the SIA process and/or in the review of the construction drawings, if the DRC Chair determines that appurtenant items and/or unforcessed frame have not been included in the infrastructure fishing, the DRC Chair new include those ferms in the listing and deterficit fishing of guarantees. At least processed and appure the fishing of the fishing with the related portions of the fishing and guarantees. At such revisions require approval by the DRC Chair, the User Department and appure has provised are belateded, these revisions to the fishing will be incorporated administratively. In addition, any unforcessen items which arese during construction which which are necessary to complete the project and which normally are the Subdivider's responsibility will be required as a condition of project accordance and dose out by the City.
