RE: Site Plan Amendment for Building permit for Tract 3B-2-A, Land of IHS Acquisition No 120 Inc., Containing +/-4.6876 Acres, 8820 Horizon Blvd., NE
Addition of 52 Parking Spaces, Zone Atlas Page C-17-Z

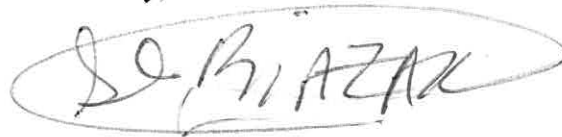

To Whom It May Concern:

SBS Construction and Engineering, LLC, on behalf of owners of the above referenced property, is requesting Site Plan Amendment for Building permit for Tract 3B-2-A, Land of IHS Acquisition No 120 Inc. The site contains +/-4.6876 Acres and is located at 8820 Horizon Blvd., NE.

This is a request for construction of additional 52 parking spaces on the above site, see site plan for location and detail. The original site plan for this site was approved by DRB in August of 2011, see attached copies of the approved site plan. At that time the total number of proposed parking lot was 53. However, this facility with number of visitors and staff requires more spaces as is required. The staff has been parking in the adjacent lot and parking has become a major issue for this site. The original proposed landscaping area for this site was around 73,675 SF and required landscaping area was 21,478 SF. The 52 parking addition will be only be around 11,605 SF. Most of the proposed additional parking spaces are shown where native grass was originally planted and does not impact so much the landscaping area.

Thank you for your attention regarding this sketch plat. Please contact me at (505) 804-5013 if you require additional information or have any questions.

Sincerely,

A handwritten signature in black ink, enclosed in a hand-drawn oval. The signature appears to read "Shahram Biazar".
