**RE: Unser Boulevard Improvements
City Project Number 4383.91
Preliminary/Final Plat Submittal
(Zone Atlas K-10)**

Dear Jack:

Huitt-Zollars, Inc under contract to City of Albuquerque, DMD Engineering has been preparing designs for Unser Boulevard roadway improvements from Central Avenue to Bluewater Road. Unser Boulevard is classified as a Principal Arterial. Two parcels have been identified for right-of-way dedication to accommodate the proposed improvements. These parcels are:

Roadway improvements include three travel lanes in each direction. Six (6) foot designated bicycle lanes and a continuous raised center median are also provided. A six (6) foot sidewalk with a six (6) foot buffer is provided along the west side of Unser Boulevard and a twelve (12) foot asphalt trail with a four (4) buffer is provided along the east side of Unser Boulevard.

Applicable City plans identified for the project include, but not limited to, DPM, Route 66 Action Plan and 50-Mile Loop. If you have any questions or need additional information regarding this matter, please do not hesitate to contact me.

Sincerely,
Huitt-Zollars, Inc.
