Jack Cloud, Chair Development Review Board City of Albuquerque 600 Second Street NW Albuquerque, NM 87102

Re: Sketch Plat Review and Comment for Montecito West

Dear Mr. Cloud:

Enclosed for Development Review Board (DRB) sketch plat review and comment are copies of the following information:

- Development Review Application
- Six (6) copies of the Sketch Plat
- Six (6) copies of the Volcano Cliffs Subdivision Unit 6 plat
- Zone Atlas Map

This sketch plat is being represented to the Development Review Board for the purpose of obtaining City input and comment on the revised layout that addresses comments received at the previous sketch plat, heard by DRB on November 14, 2012. Proposed is a subdivision of Tracts 14-18 and 20-21, Volcano Cliffs Subdivision Unit 6, consisting of 88 single-family residential lots on approximately 30.1 acres. The site is located west of the Vista Vieja (Montecito) Units 3 and 4 Subdivisions and can be accessed from Vista Vieja Avenue to the south, from Hawk Eye Road in Vista Vieja Unit 4 and Groundsel Road in Vista Vieja Unit 3. The land is currently zoned SU-2, Volcano Cliffs Rural Residential (VCRR).

The project will be developed as a Private Commons Development (PCD) per the City Zoning Code Section 14-16-2-16. It is our understanding that a Site Plan for Subdivision, along with a preliminary plat approval will be required by the Development Review Board. There will also be sidewalk deferral and waiver requests, right-of-way vacations requests, and public easement vacations requests at the time of the preliminary plat application.

The grading and drainage will be addressed in a separate drainage submittal to the City Hydrology department for their review and approval. A water/sewer availability letter was requested on January 30, 2013. There is existing sanitary sewer and water in Hawk Eye Road and Groundsel Road, and water in Vista Vieja Avenue. There are storm drain outfalls in Scenic Road to the north, on the south side of Groundsel Road (middle branch of the Boca Negra Arroyo) and in Hawk Eye Road.

I would appreciate any comments you may have on the enclosed sketch plat and the information I have mentioned above. Please place this item on the DRB Agenda to be heard on March 27, 2013.

Sincerely,

Scott J. Steffen, P.E.
