RE: DRB Project #1010327, Norris and Margaret Penny Addition
Request for Deferral

Angela,

We are currently scheduled as Agenda Item number 10 for tomorrow's DRB Hearing for the subject project. We are still not quite ready to have our Infrastructure List signed off and would like to request a two-week deferral to the December 13th hearing.

Please feel free to call if you have any questions.

Respectfully submitted,

WOOTEN ENGINEERING
