Albuquerque DRB,

Please review and comment on our proposed sketch plat "re-plat of lots 7,8,9,10 Summer Gardens Addn.". There are four parcels currently running north to south from Summer Ave. on the north to Rosemont Ave. on the south. We propose to re-plat these parcels into 4 building lots for single family detached homes as per our sketch plat drawing and demolish/ remove all existing structures to allow for four new homes.

Thank You,
Ed Paschich
