

\* Types may include Arterial Paving, Residential Paving, Water Line, Sanitary Sewer, Storm Sewer, Drainage Channel, Sidewalks, and Retaining Walls. Any non-standard design or waivers must be clearly described in this listing.

If Phased Platting is anticipated, a listing should be prepared for each proposed phase.

Use additional sheets as necessary to complete the listing. The final page must be signed by the preparer and provide signature spaces for DRB members.

Note:

Required Grading Certification (includes private retaining walls and private drainage improvements) as a condition of SIA and final SIA Guarantee release.
