to Subdivision Improvements Agreement

Date Submitted: 15 July 1996

DEVELOPMENT REVIEW BOARD (DRB) REQUIRED INFRASTRUCTURE LISTING
for
THE STABLES

Following is a summary of Public Infrastructure required to be constructed or financially guaranteed to be constructed for The Stables subdivision development. This summary is not necessarily a complete listing. During the design process, if the County determines that appurtenant items have not been included in the summary, those items will be included in the listing and related financial guarantee if the items normally are Subdivider responsibility. In addition, any unforeseen items which arise during construction which are necessary to complete the project and which normally are the Subdivider's responsibility are the responsibility of the Subdivider and will be included in the financial guarantee provided to the County.
