Re. Walmart #824.239 located at: 8000 Academy Road NE

The scope of work for this Administrative Amendment review is the for updating of the current Walmart associate ramp near the back right corner on the exterior of the store.

The ramp was redesigned for safe use in delivering items to customers to the new added parking stalls. Adjusted the layout to accommodate new OGP parking stalls.

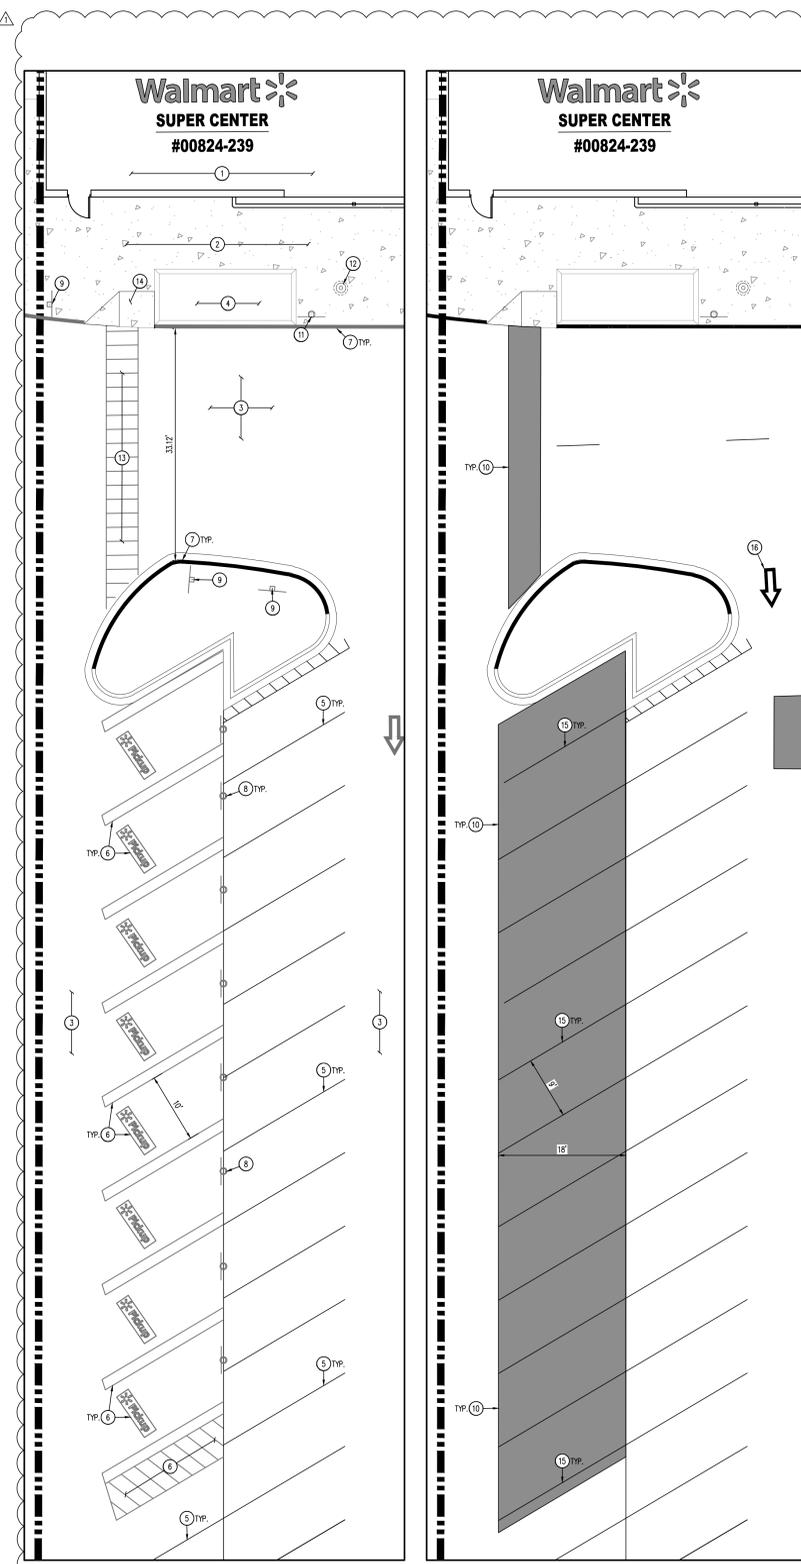

The impact to the site will be minimal and I am also submitting the Construction Documents with the Building Department today.

If you have any questions, please do not hesitate to contact me.

Thank you,
