Thank you for the follow up Jay

The client has decided to remove the sign that is in the right-of-way. I have not prepared a supplemental submittal. Is this something I should do prior to receiving all the comments?

Subject: Transportation Comments for ABQ Uptown (PR-2022-006664)

Good morning Peter,

I am checking in with you this morning regarding your Administrative Amendment at ABQ Uptown (PR-2022-006664) currently being reviewed. Transportation sent you comments on June 7 including keeping signage out of the City ROW. Ms. Wolfenbarger from Transportation informed me that you acknowledged her comments but never addressed her comment(s). Ms. Wolfenbarger's last day with the City was last week so perhaps you responded to her after she had left. Could you please confirm your response to Ms. Wolfenbarger's comments on your Administrative Amendment if you already responded. If you haven't prepared a supplemental submittal in response, please confirm that as well. I have copied our current Transportation team in this message as well.

Thanks,

Jay Rodenbeck
