Jay,

This one needs a Grading & Drainage Plan. I was already contacted by the engineer yesterday for it.

Hello all,

We got a new AA at 5100 Masthead (in the Journal Center) which is ready for review at the following location:

X:\PL\SHARES\PL-Share\AAs\AA_2023_PDFs\PR-2023-008273 - SI-2023-00402 - 5100 Masthead - Journal Center

The Project # is: PR-2023-008273

The Application # is: SI-2023-00402

The AA has been added to the AA Review Spreadsheet.

Hydrology and Transportation reviewers: please confirm if they will need to submit a TCL and/or a Grading and Drainage Plan or a revised Grading and Drainage Plan ASAP, as that will help the applicant know better how long their review might take. When there's an update to the review and/or approval of an AA per Hydrology and Transportation review, we would greatly appreciate it if you could update the AA in the AA Review List spreadsheet with a simple and quick update under the Hydrology and Transportation columns (for review, re-submittal, and comments) in the spreadsheet.

You can access the AA Review List spreadsheet by going to the following link: <X:\PL\SHARES\PL-Share\AAs\AA Review List.xlsx>

Thanks,

Jay Rodenbeck
