

CITY OF ALBUQUERQUE

October 24, 2023

Veterans Integration Center
Mulberry St and San Jose Avenue SE
Albuquerque, NM

To Darby Miera, RBA Architecture Planning Design;

The landfill gas mitigations for the above project are approved. Please include this approval with all submittals to the Planning Department. Please also provide a copy of this approval for the project owner for their records.

The mitigations installed and inspected by Terracon per Terracon Project No, 66227051 under the supervision of Mr. Jared Geissler, NM PE 23472. No further mitigations or assessments for landfill gas are required for this project and no inspections are necessary for Certificate of Occupancy for landfill gas mitigation requirements.
