Good morning Christina, The VIC project is being constructed on [2701 Mulberry St, SE](#) and is in for building permit review with the C.O.A. and I was ask by Robert Webb with the C.O.A. that I need to contact you about getting a letter from you stating that you have on objection to the construction of this project.

We already have the approval from **KAFB** Lead Community Planner; Janet Cunningham-Stephens, According to Robert Webb we need your approval too. If you can help me with this I will appreciate it. I attached the site plan here for your reference.

Please let me know what I need to send you for this VIC project, if you have any questions please feel free to contact me, my contact information is below.
