FORM S2: SUBDIVISION OF LAND - MINOR ACTIONS

Please refer to the DRB minor case schedule for meeting dates and deadlines. Bring original Mylar of plat with property owner's and City Surveyor's signatures on it to the meeting. Your attendance is required.

A single PDF file of the complete application including all plans and documents being submitted must be emailed to <u>PLNDRS@cabg.gov</u> prior to making a submittal. Zipped files or those over 9 MB cannot be delivered via email, in which case the PDF must be provided on a CD.

A Variance - DRB for the Bulk Transfer of Land requires application on Form V in addition to this FORM S2.

DXF file and hard copy of final plat data for AGIS submitted and approved

Proposed Amended Preliminary Plat, Infrastructure List, and/or Grading Plan (7 copies, folded)

Ms. Kym Dicome, Chair Development Review Board PO Box 1293 Albuquerque, New Mexico 87103

RE: Sketch plat review- 704 Griegos Rd. NW- A Portion of Tract B, Lands of Ella G. Rossiter

Dear Ms. Dicome.

The prospective buyer of the above referenced property, First Choice Equity Builders Inc., is currently in negotiations to purchase the property and is requesting a sketch plat review by the City of Albuquerque Development Review Board for comments and guidance. The subject property is currently vacant, undeveloped, and zoned R-1 C Residential Singlefamily Zone District. The site is located on the South side of Griegos Rd NW in between 9th St NW and 6th St NW. The Zone atlas page is F-14 as shown on the accompanying zone atlas map. The original subdivision plat was filed with the Bernalillo County Clerk on February 4th, 1947 in Book A1 Pg. 2. The purpose of this request is to subdivide the existing tract into four new lots with an access easement and the required utility easements for all parcels. Lots 1, 2, and 3 will have their access from the existing ingress/egress from Griegos Rd NW. Lot 4 will have its access from the existing ingress/egress from 8th St NW. The proposed subdivision of the existing .75 acres of land will result in four lots each having a minimum width of 50 feet, and a minimum lot area of .1622 acres. We believe that the sizes of the proposed lots are in harmony and consistent with the residential platting of the surrounding neighborhood and the requirements of the Albuquerque Integrated Development Ordinance.

Please feel free to contact me should you have any questions. Thank you for your consideration.

Sincerely,

Jonathan Turner Garcia/Kraemer & Associates
