SIGN POSTING AGREEMENT

REQUIREMENTS

POSTING SIGNS ANNOUNCING PUBLIC HEARINGS

All persons making application to the City under the requirements and procedures established by the City Zoning Code or Subdivision Ordinance are responsible for the posting and maintaining of one or more signs on the property which the application describes. Vacations of public rights-of-way (if the way has been in use) also require signs. Waterproof signs are provided at the time of application. If the application is mailed, you must still stop at the Development Services Front Counter to pick up the sign.

The applicant is responsible for ensuring that the signs remain posted throughout the 15-day period prior to public hearing. Failure to maintain the signs during this entire period may be cause for deferral or denial of the application. Replacement signs for those lost or damaged are available from the Development Services Front Counter at a charge of \$3.75 each.

1. LOCATION

- A. The sign shall be conspicuously located. It shall be located within twenty feet of the public sidewalk (or edge of public street). Staff may indicate a specific location.
- B. The face of the sign shall be parallel to the street, and the bottom of the sign shall be at least two feet from the ground.
- C. No barrier shall prevent a person from coming within five feet of the sign to read it.

2. NUMBER

- A. One sign shall be posted on each paved street frontage. Signs may be required on unpaved street frontages.
- B. If the land does not abut a public street, then, in addition to a sign placed on the property, a sign shall be placed on and at the edge of the public right-of-way of the nearest paved City street. Such a sign must direct readers toward the subject property by an arrow and an indication of distance.

3. PHYSICAL POSTING

- A. A heavy stake with two crossbars or a full plywood backing works best to keep the sign in place, especially during high winds.
- B. Large headed nails or staples are best for attaching signs to a post or backing; the sign tears out less easily.

4. TIME

Signs must be posted from August 28, 2018 To September 12, 2018

5. REMOVAL

- A. The sign is not to be removed before the initial hearing on the request.
- B. The sign should be removed within five (5) days after the initial hearing.

I have read this sheet and discussed it with the Development Services Front Counter Staff. I understand (A) my obligation to keep the sign(s) posted for (15) days and (B) where the sign(s) are to be located. I am being given a copy of this sheet.

Mr. Romero,

Thank you for the clarification. KCA is in support of the redevelopment of Bethel as a private street to accommodate the plan for market-rate housing that you all presented to us earlier this year, as long as there has not been any changes to this plan.

Sincerely,
Kimberly Brown

Re: Right of Way Vacation Request - Bethel Avenue SE (50'W X 338'L) Zone Atlas M-15Z

Dear Chair Dicome and DRB Board Members:

DAC Enterprises, Inc. is representing Peter Gineris d/b/a Cornerstone Capital, LLC regarding this request to vacate the the dedicated right of way located in the Kirtland Addition south of San Jose Avenue SE and accessed by Mulberry Street as referenced above.

Applicant owns each of the lots abutting Bethel, which dead ends at Kirtland Park on the west end of the street as it is currently platted. Both sides of the street are zoned R-ML (Residential Low Density).

Vacating Bethel Avenue will allow the applicant to develop the abutting properties as prescribed and regulated in the R-ML zone. Currently Lots A thru F and 1 thru 5 are bifurcated by a dead end right of way that serves no properties other than those owned by the applicant.

As Cornerstone Capital, LLC owns all of the abutting parcels, a subsequent replat will be submitted based upon the final approval of this vacation request and incorporate the entire existing right of way. Access to the property from Mulberry will not be affected.

There is no water line or other utility infrastructure that will be affected by this request. The roadway is not being used for any public safety purposes that will be compromised if this vacation is approved.

Cornerstone Capital LLC understands that they will be responsible for purchasing the vacated right-of-way and are prepared to do so. A survey has been provided for review by the Development Review Board.

Your consideration of this request is sincerely appreciated. I look forward to answering any questions the board may have.

Sincerely,
Doug Crandall
Principal
