Yes, it is 9/27 @ 7pm. At NDBMGC.

However, it is a general membership meeting with quite a full agenda so the group will be around 40 people.

Please let me know if you need any multimedia items. I know the center can provide some presentation assistance items. Perhaps a handout (with contact info) and map available to the group would be most efficient. Please let me know your timeframe needed as well. Hoping for 10 minutes plus questions?

Regards, Elizabeth Meek.

Hi Tina.

I'm sorry I am so slow to respond, back to school is keeping me hopping! As it is obviously keeping you busy as well.

Yes, we have a general membership meeting scheduled for September 27th at 7pm also at the North Domingo Baca Multigenerational Center. It will be a little bigger crowd (usually 30 people) but that would be a wonderful time and space to show off your plans for that area. Please let me know if this would work with your schedule.

Sincerely,
Elizabeth Meek

Hi Elizabeth.

I don't think the 23rd is going to work with our schedule as I am out of town and prefer to be at your meeting. When is your next meeting? Would we be able to present at that one?

Thank you in advance. Looking forward to sharing our plans with you!

Hi Tina!

Yes, our Vineyard Estates Board would like to hear about your project plans.

We meet next on August 23rd @ 7pm at the north Domingo Baca multigenerational Center. Usually we are in classroom #5, but sometimes the staff moves us.

Could you make it that evening? We could put you first on our agenda.

Thank you!

Good morning!

I am writing today to request a meeting with you to discuss our plans for the land on Holly Avenue that Pete's Landscaping previously owned. I am the Founder and Director of Montessori ONE Academy. By now you might have seen that we have started construction on the property adjacent to the Academy.

We are also in the process of developing plans for the dirt lot on the East side of Albertsons. We would welcome the opportunity to share our development plans with you for this property. As we are dealing with three neighborhood associations, I am not quite sure how to go about coordinating a meeting with all of you. I look forward to your suggestions. Please let me know some dates and times that work for you and I will coordinate with my team.

Thank you in advance and I look forward to meeting you in person. I can be reached at any of the numbers listed below if you have any questions.
