AGRE R:\$25.00 Linda Stover, Bernalillo County

THEREFORE, the City and the Developer agree:

1. A. Sidewalk Construction Deadline. Developer has obtained a sidewalk deferral, as shown in the attached **Exhibit "A,"** which is a copy of the Development Review Board's decision regarding the deferral granted. Developer agrees to utilize the City's sidewalk permit process and complete the sidewalks to the satisfaction of the City by September, 2023 ("Sidewalk Construction Deadline").

B. Request for Extension. If this Sidewalk Deferral Agreement establishes a Sidewalk Construction Deadline which is less than four (4) years after execution of the Infrastructure Improvements Agreement, the Developer may request an extension from the Design Review Section for an additional period of time, which shall not exceed a total of four years after execution of the Infrastructure Improvements Agreement. The form of the Financial Guaranty extension and the amount must be approved by the City, but shall not exceed 125% of the City's estimate of the cost of construction at the time Developer requests an extension. If the Developer will need more than four (4) years after execution of the Infrastructure Improvements Agreement to construct the sidewalks, the Developer must request and obtain an extension from the Development Review Board and submit the required documentation to the Design Review Section before expiration of the four (4) years.

2. Financial Guaranty. Developer will provide a financial guaranty in an amount of not less than 125% of the cost of constructing the sidewalk improvements within the Developer's Property, as determined by the City. The financial guaranty must be irrevocable and may be in the form of a City-approved bond, letter of credit, escrow deposit or loan reserve letter issued by a Federally Insured Financial Institution; a bond issued by a surety qualified to do business in New Mexico; or other pledge of liquid assets which meets all City requirements. 3. Notice of Start of Construction. Before construction begins, the Developer's contractor shall obtain all necessary Excavation and Barricading permits.

4. Completion, Acceptance and Release. The Developer shall report completion of sidewalk construction in writing to the City. The City shall inspect the sidewalks to verify completion. Upon acceptance of the improvements, the City shall promptly release the financial guaranty and this Sidewalk Deferral Agreement.

5. Conveyance of Property Rights. When the sidewalks have been constructed, if the City does not own the real property upon which the sidewalks are constructed, the Developer shall convey to the City the real property rights required by the City together with the improvements, free and clear of all claims, encumbrances and liens, before the City will release the Financial Guaranty and Sidewalk Deferral Agreement. Conveyance may be by dedication on the final plat of the Developer's Property.

6. Indemnification. Until the Improvements are accepted by the City, the Developer shall be solely responsible for maintaining the premises upon which the Improvements are being constructed in a safe condition. The Developer agrees to indemnify and hold harmless the City and its officials, agents and employees and, if the Improvements include water and wastewater infrastructure, the ABCWUA, its employees, officers and agents, from any claims, actions, suits or other proceedings arising from or out of the acts or omissions of the Developer, its agents, representatives, contractors or subcontractors or arising from the failure of the Developer, its agents, representatives, contractors or subcontractors to perform any act or duty required of the Developer herein. The indemnification required hereunder shall not be limited as a result of the specifications of any applicable insurance coverage. Nothing herein is intended to impair any right or immunity under the laws of the State of New Mexico.

7. Assignment. This Agreement shall not be assigned without the prior written consent of the City and the Developer and the express written concurrence of financial institution or surety which has undertaken to guaranty the completion of the Improvements. The City's approval will not be withheld unreasonably. If so assigned, this Agreement shall extend to and be binding upon the successors and assigns of the parties hereto.

8. Release. If the Developer's Property or any part thereof is sold, conveyed or assigned, the City will not release the Developer from its obligations under this Agreement and will continue to hold the Developer responsible for all Improvements until a successor in interest to the Developer has posted a suitable financial guaranty and entered into a Sidewalk Improvements Agreement with the City. Thereafter, when the Developer's successor in interest has provided a substitute financial guaranty acceptable to the City, the City will release this Agreement and any related Financial Guaranty.

9. Payment for Incomplete Improvements. If the Developer fails to satisfactorily complete construction of the sidewalks by the Construction Completion Deadline, the City may construct or cause the sidewalks to be constructed as shown on the final plat and in the approved plans and specifications. The Developer shall be jointly and severally liable to pay to, and indemnify the City for the total cost, including, but not limited to engineering, legal and contingent costs, together with any damages, either direct or consequential, which the City may sustain as a result of Developer's failure to perform as required by this Agreement. If the direct

or indirect costs and damages to the City exceed the amount of the Financial Guaranty, the Developer shall be liable to, and shall pay the City for all such costs and damages. The surety or sureties shall be jointly and severally liable to pay to and indemnify the City for the total cost to the extent of their obligations pursuant to the Financial Guaranty.

10. Binding on Developer's Property. The provisions of this Agreement constitute covenants running with Developer's Property for the benefit of the City and its successors and assigns until terminated, and are binding on the Developer and its heirs, successors and assigns.

11. Notice. For purposes of giving formal written notice, including notice of change of address, the Developer's and the City's addresses are as stated in the first paragraph of this Agreement. Notice may be given either in person or by certified U.S. mail, postage paid. Notice will be considered to have been received within six days after the notice is mailed if there is no actual evidence of receipt.

12. Entire Agreement. This Agreement contains the entire agreement of the parties and supersedes any and all other agreements or understandings, oral or written, whether previous to the execution hereof or contemporaneous herewith.

13. Changes to Agreement. Changes to this Agreement are not binding unless made in writing, signed by both parties.

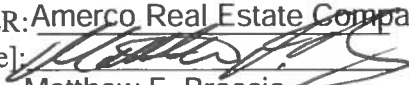

14. Construction and Severability. If any part of this Agreement is held to be invalid or unenforceable, the remainder of the Agreement will remain valid and enforceable if the remainder is reasonably capable of completion.

15. Captions. The captions to the sections or paragraphs of this Agreement are not part of this Agreement and will not affect the meeting or construction of any of its provisions.

16. Form not Changed. Developer agrees that changes to this form are not binding unless initialed by the Developer and signed by the City's Legal Department on this form.

17. Authority to Execute. If the Developer signing below is not the Owner of the Developer's Property, the owner must provide a Power of Attorney or other evidence of authority to execute this Agreement which is acceptable to the City.
