

6/22/L 50A

Digitized by srujanika@gmail.com

Following is a summary of PUBLIC/PRIVATE metastatistics required to be constructed or transmally generated for the above development. This listing is not necessarily a complete listing. During the SIA process and during the review of the construction drawings if the DRC Char determines that application of transmally generated items is not necessary a memorandum of understanding is required to be constructed or transmally generated for the above development. This listing is not necessary and which scenario will be required will be determined by the SIA Committee as well as the DRC Char.
