**RE: REQUEST FOR WAIVER OF 5 FEET TO REQUIRED 5 FEET WIDTH FOR SIDEWALK ON BAZAN COURT
PROPOSED LOTS 9-A & 10-A, BLOCK W, ATLANTIC & PACIFIC ADDITION
PR 2021-002058**

Ms. Wolfenbarger:

I would like to request a waiver to the DPM for the above mentioned (width of sidewalk) in the effort to complete the platting action on the proposed lot consolidation.

The existing condition is no sidewalk along Bazan Court which under the required five (5) feet. The waiver request is for 5 feet. Although not meeting current City standards, the lack of sidewalk within the Barelás Homes Subdivision an affordable housing project initially developed by Youth Development Incorporated, which was originally platted in 1995 has functioned effectively without a sidewalk and is consistent throughout the subdivision.

Subject to DPM Chapter 2-9(B)(2)(ii) Criteria for Waiver from IDO Sidewalk Standards

- (1) The installation of a 5 foot will not contribute to the public welfare in that there is no existing sidewalk all along Bazan Court. The lack of sidewalk functions successfully along the street and throughout the subdivision.
- (2) Although there is a lack of sidewalk, appears to provide sufficient right-of-way to meet minimum ADA or PROWAG guidance in that all properties along this portion of Bazan Court and throughout the subdivision reflect a similar width with the assumption that this criteria is met or at least adequate in the residential areas.
- (3) Lack of sidewalks along Bazan Court are consistent with the subject property. This condition appears to function effectively throughout the Barelás Homes Subdivision which has existed for over 25 years. There are also no obstructions such as utility poles.

Subject to IDO 14-16-6-6(P)(3) Review and Decision Criteria for Waivers to the DRB

The lack of sidewalk currently exists along the southern boundary of the subject property on Bazan Court in this immediate area. The existing width reflects consistency with:

- Established neighborhood character of both the subject and adjacent properties is lack of sidewalks,
- Public safety, health or welfare in that there isn't a gap in the lack of sidewalk along the subject property,

- Lack of sidewalk will not cause significant material adverse impacts on surrounding properties in that the condition is consistent throughout the subdivision,
- The lack of sidewalk at it's current width will not materially undermine the intent and purpose of the IDO or the applicable zoning district in that existing development is permissive in the underlying zone,
- The waiver will not affect required development standards of the underlying zone as part of seeking 5 foot waiver for a lack of sidewalk.

Although not meeting current City standards, the overall outcome will allow for the completion of the lot consolidation (3 to 2 lots) reflecting the existing lack of sidewalk that not only exists along the subject property but within the entire subdivision as well.

Thank you for consideration of this request.

RE: REQUEST FOR WAIVER TO WIDTH OF SIDEWALK/
BAZAN COURT & ATLANTIC AVENUE
REQUEST FOR WAIVER TO RIGHT-OF-WAY WIDTH REQUIREMENTS/BAZAN
COURT
LOTS 8 (west 20 feet), 9 & 10, BLOCK W, ATLANTIC & PACIFIC ADDITION
PR 2021-002058

To representatives of the Barelás Neighborhood Association:

This email is to inform yourselves and members of your association that an application has been submitted to the City of Albuquerque's Development Review Board (DRB) for consideration of three waivers:

- 1) a sidewalk width waiver of five (5) feet to the required five (5) foot sidewalk width along Bazan Court. There is no sidewalk on Bazan Court.
- 2) a sidewalk waiver of one (1) foot to the required five (5) foot sidewalk width along Atlantic Avenue. There are existing four (4) foot sidewalks on Atlantic Avenue.
- 3) a right-of-way width waiver of fourteen (14) feet to the required sixty (60) feet of right-of-way. Bazan Court was platted with a forty-six (46) foot right-of-way.

The property owner at 510 Atlantic Avenue is proposing a lot consolidation (3 to 2 lots) for existing Lots 8 (west 20 feet), 9 & 10, Block W, Atlantic and Pacific Addition.

The request reflects a realignment of existing north-south lot lines to an east-west lot line to eliminate the existing lots from bisecting the single family residence on the property. Adjusting the lot line direction as part of consolidation will eliminate redevelopment intentions.

Proposed Lot 9-A currently developed with a single family residence with access from Atlantic Avenue. Proposed lot 10-A (currently vacant), will get access from Bazan Court.

The properties are located between 5th Street and Barelás Road.

At the December 16, 2020 Sketch plat meeting before the DRB it was determined that the lack of sidewalk along both Atlantic Avenue and Bazan Court did not achieve the required five (5) foot width. In addition, Bazan Court did not meet minimum right-of-way requirements.

As a result, a waiver for each of the three issues is required from the Development Process Manual (DPM) and needs to be considered and approved by the Development Review Board (DRB) prior to approval of the Preliminary Final Plat for both existing sidewalks on Atlantic Avenue and Bazan Court, including the existing right-of-way width also for Bazan Court.

As per the Integrated Development Ordinance (IDO), any waiver actions to the DRB require the applicant to offer a meeting to further discuss the request with affected neighborhood associations.

This email serves as the official offer to meet with you to provide additional information.

As per the Ordinance, you must respond within 15 consecutive days to: 1) request a meeting; 2) decline the meeting; or 3) support the request for approval.

Attached for your review are the following:

- Zone Atlas page K-14 (location of the property)
- Proposed lot consolidation
- Exhibit illustrating lack of sidewalk and platted right-of-way width on Bazan Court.
- Sidewalk exhibit illustrating the existing four (4) foot sidewalk on Atlantic Avenue

In our efforts to complete the platting action and reflect compliance with the IDO requirements for waiver actions to the DRB, it would be greatly appreciated for a response at your **earliest convenience**.

In order for us to proceed we are required to have a response from the affected neighborhood association to the above listed options.

Please contact me with any questions or concerns.

Thank you for your time and attention.

Sincerely,
Derrick Archuleta, MCRP

Subject: RE: SIDEWALK WIDTH WAIVER - ATLANTIC AVENUE & BAZAN COURT & RIGHT-OF-WAY WIDTH REQUIREMENTS WAIVER FOR BAZAN COURT

Good afternoon representatives of the Bareleas Neighborhood Association:

This email is to inform yourselves and members of your association that an application has been submitted to the City of Albuquerque's Development Review Board (DRB) for consideration of three waivers:

- 1) a sidewalk width waiver of five (5) feet to the required five (5) foot sidewalk width along Bazan Court. There is no sidewalk on Bazan Court.
- 2) a sidewalk waiver of one (1) foot to the required five (5) foot sidewalk width along Atlantic Avenue. There are existing four (4) foot sidewalks on Atlantic Avenue.
- 3) a right-of-way width waiver of fourteen (14) feet to the required sixty (60) feet of right-of-way. Bazan Court was platted with a forty-six (46) foot right-of-way.

The property owner at 510 Atlantic Avenue is proposing a lot consolidation (3 to 2 lots) for existing Lots 8 (west 20 feet), 9 & 10, Block W, Atlantic and Pacific Addition.

The request reflects a realignment of existing north-south lot lines to an east-west lot light to eliminate the existing lots from bisecting the single family residence on the property. Adjusting the lot line direction as part of consolidation will eliminate redevelopment intentions.

Proposed Lot 9-A currently developed with a single family residence with access from Atlantic Avenue. Proposed lot 10-A (currently vacant), will get access from Bazan Court.

The properties are located between 5th Street and Barelas Road.

At the December 16, 2020 Sketch plat meeting before the DRB it was determined that the lack of sidewalk along both Atlantic Avenue and Bazan Court did not achieve the required five (5) foot width. In addition, Bazan Court did not meet minimum right-of-way requirements.

As a result, a waiver for each of the three issues is required from the Development Process Manual (DPM) and needs to be considered and approved by the Development Review Board (DRB) prior to approval of the Preliminary Final Plat for both existing sidewalks on Atlantic Avenue and Bazan Court, including the existing right-of-way width also for Bazan Court.

As per the Integrated Development Ordinance (IDO), any waiver actions to the DRB require the

applicant to offer a meeting to further discuss the request with affected neighborhood associations.

This email serves as the official offer to meet with you to provide additional information.

As per the Ordinance, you must respond within 15 consecutive days to: 1) request a meeting; 2) decline the meeting; or 3) support the request for approval.

Attached for your review are the following:

- Zone Atlas page K-14 (location of the property)
- Proposed lot consolidation
- Exhibit illustrating lack of sidewalk and platted right-of-way width on Bazan Court.
- Sidewalk exhibit illustrating the existing four (4) foot sidewalk on Atlantic Avenue

In our efforts to complete the platting action and reflect compliance with the IDO requirements for waiver actions to the DRB, it would be greatly appreciated for a response at your **earliest convenience**.

In order for us to proceed we are required to have a response from the affected neighborhood association to the above listed options.

Please contact me with any questions or concerns.

Thank you for your time and attention.

Sincerely,
