Good morning Reynaluz,

I just wanted to let you know that I have submitted my application to the City of Albuquerque for the continuation of my carport at my residence and taking the proper steps to receive the permit. I just wanted to let you what I was doing and will keep you updated on what I find out.

As always, please let me know if you have any question via email or phone at (505) 321-4554.

Thank you and have a great day,

Carlos Diaz

I forgot to mention that the DRB hearing is going to be on February 27, 2019 and it begins on 9:00 am. I just wanted to advise you that this was going on and you are welcome to attending if you would like.

Again, feel free to contact me with any questions or concerns.

Thank you,
