RE:	PR 2019-002331 - Vacate Public Easement

This is a follow up regarding the e-mail Design Plus sent on June 24, 2019 to the Neighborhood Associations for Public Notice for the Vacating the Public Easement on Lots 4 and 5 of Block 6 Traction Park and City Electric Addition.

On June 25, 2019, we received an e-mailed response from Elaine Faust of the West Park Neighborhood Association:

On June 26, 2019, we called the remaining contacts:

- 10:16 a.m. Sarah Mandala, West Park NA – She did not have time to talk but said it was "our project" and to have a "nice rest of the day".
- 10:17 a.m. Kendra Robertson, West Old Town - I left voicemail message asking for any comments or concerns.
- Glen Effertz, West Old Town Spoke to him and he said that they had no 10:19 a.m. concerns as it is on the South side of Central and that no meeting was necessary.

On June 28, 2019, we received an e-mail response from Kendra Robertson of the West Old Town Neighborhood Association:
