approximately 34.48 acre(s). (C-10, C-11)

On July 10, 2019 the Development Review Board (DRB) held a public meeting concerning the above referenced application and approved the request based on the following Findings:

SD-2019-00120

1. This is a request to extend the infrastructure for the above referenced area to allow the completion of the project.
2. The original Infrastructure List was signed in 2016; a two year extension of the IIA was approved on July 12 2017.
3. Pursuant to 14-16- 6-4(W)(4)(a) The applicant has made this request in writing prior to the expiration of the previous approval and the DRB, the original approving body, has made a decision using the same procedure required for the initial approval. The applicant stated at the hearing that the extension would allow time to complete the project.
4. This action will extend the approval of the IIA to July 25, 2020. Per Section 14-16-6-4(W)(4)(a)(1), the IDO allows one extension of any approval action so this is the **final extension**.
5. The proper notice was given as required by the IDO.
