**RE: VACATION OF PRIVATE WATER AND SANITARY SEWER EASEMENT FOR LOT 8-B, UNIT 1,
ALVARADO GARDENS (PR 2019-002607)**

Ms. Wolfley and members of the Board:

I would like to request Vacation of a Private Water and Sanitary Sewer Easement in conjunction with a proposed minor subdivision for the above mentioned property.

The property owner would like to vacate the existing private water and sanitary sewer easement in order to replace and grant a public water and sanitary sewer easement for proposed Lots 8-B-1 and 8-B-2, Unit 1, Alvarado Gardens.

Subject to criteria for vacation of easement in IDO Section 14-16-6-6(K)(3), we believe is met in the following manner:

- (a) The public welfare does not require that the public right-of-way or easement be retained.

Not applicable as this vacation request is solely for a private water and sanitary sewer easement.

- (b) There is a net benefit to the public welfare because the development made possible by the vacation is clearly more beneficial to the public welfare than the minor detriment resulting from the vacation, and there is no convincing evidence that any substantial property right is being abridged against the will of the owner of the right. ***The result of the vacation of the private water and sanitary sewer easement will be a benefit to the public welfare. Service will not be compromised because it will be replaced with a public water and sanitary sewer easement. The initial private easement was granted to service one lot; as a result of proposing two lots the private easement no longer achieves the purpose intended when originally granted.***

The subject property within the requested vacation serves only the applicant. No other property owners are directly affected by the vacation. Approval of the vacation will allow for completion of the subdivision which support the infill and redevelopment intentions of the applicant. The subject property has been vacant for several years and through eventual development is a net benefit to the public welfare. In addition, DRB Sketch Plat review reflected no concern or adverse comments to the proposed vacations by the ABCWUA.

The property is currently undeveloped and zoned R-A (Residential and Agricultural).

The site is located within the Near North Valley Planning Area and governed by the Area of Consistency of the Albuquerque/Bernalillo County Comprehensive Plan.

Thank you for your time and consideration of the proposed vacation.

Sincerely,

A handwritten signature in dark ink, appearing to read "Derrick Archuleta". The signature is fluid and cursive, with a long horizontal stroke extending to the right.

Subject: RE: ALVARADO GARDENS UNIT 1 - VACATION OF PRIVATE WATER AND SEWER SERVICE EASEMENT

Good afternoon representatives of the North Valley Coalition and the Rio Grande Boulevard Neighborhood Association:

This email is to inform yourselves and members of your association that an application has been submitted to the City of Albuquerque's Development Review Board (DRB) for consideration of vacation of a 22 foot private water and sewer service easement in conjunction with a subdivision request.

The property owner is proposing a subdivision of existing Lot 8-B, Alvarado Gardens Unit 1 into two lots.

The property is on 0.8967 acres on land that is zoned R-A (Residential and Agricultural).

The site is located off of an existing private easement between Artesanos Court and Campbell Road.

The property is currently undeveloped.

The site is located within the Near North Valley Planning Area and governed by the Area of Consistency of the Albuquerque/Bernalillo County Comprehensive Plan.

At the May 20, 2020 DRB hearing it was determined that the existing private water and sewer service easement was no longer applicable requiring vacation to allow the granting of a public waterline and sanitary sewer easement.

Thus, this request requires the formal vacation action process of the private easement on order to grant a public easement for water and sewer service.

As per the Integrated Development Ordinance (IDO), any vacation actions to the DRB require the applicant to offer a meeting to further discuss the vacation with affected neighborhood associations. The North Valley Coalition and Rio Grande Boulevard Neighborhood Association are the affected neighborhood associations.

This email serves as the official offer to meet with you to provide additional information.

As per the Ordinance, you must respond within 15 consecutive days to: 1) request a meeting; 2) decline the meeting; or 3) support the request for approval.

Attached for your review are the following:

- Zone Atlas page G-13 (location of the property)
- Proposed subdivision reflecting location of proposed vacation of the private water and sewer service easement

In our efforts to complete the platting action and reflect compliance with the IDO requirements for vacation actions to the DRB, it would be greatly appreciated for a response at your earliest convenience.

In order for us to proceed we are required to have a response from the affected neighborhood association to the above listed options.

Please contact me with any questions or concerns.

Thank you for your time and attention.

Sincerely,
Derrick Archuleta

To Whom It May Concern:

I represent John D. Pearson, the owner of the vacant property located at the end of an access road off of Rio Grande Boulevard between Artesanos Court and Matthew Road.

As agent for the property owner, I am in process of subdividing existing Lot 8-B, Unit 1, Alvarado Gardens into two lots. Proposed Lot 8-B-1 is to be 0.3804± net acres and Lot 8-B-2 is to be 0.3841± net acres on property zoned R-A (Residential and Agricultural).

The request also includes the vacation of private water and sanitary sewer easement in order to grant a public water and sanitary sewer easement. As a result of an additional lot, the ABCWUA has determined that the private easement is not longer applicable and needs to be vacated and replaced with a public easement.

A Preliminary/Final Plat was presented to the City of Albuquerque's Development Review Board on May 20, 2020 which requires the formal vacation of the water and sanitary sewer easement in order to complete the subdivision.

The next step will be to return to the Development Review Board to approve the vacation as part of the Preliminary/Final Plat review.

This letter is an offer to meet with you to provide additional information:

Per Ordinance, you must respond within 15 consecutive days to: 1) request a meeting; 2) decline the meeting; or 3) support the above request for approval.

I am attaching a zone atlas and an exhibit reflecting the location of the proposed vacation of the private water and sanitary sewer easement.

Please contact me for details if you have any questions regarding the request.

Thank you.
