Scott,

This does satisfy the comment. Thank you for providing this information.

It might be a good idea to supplement the next submittal with this plat so the questions is answered with the submittal as well.

Regards,

**David G. Gutierrez P.E.**

[CAUTION: This email was received from an EXTERNAL source]

Hi David,

Did the plat satisfy you that the existing easement will work? It's on the westerly 20' of the property abutting to the east?

Thanks-

[Scott McGee PE](#)
